Welcome back!!! Classes begin next week, the week of August 9th!!! I hope you have all had a safe and healthy summer and have had some time to do something fun!! Classes start again next week!!! We will do this together safely, and just know, we are here to support you and your dancers as we start this New Season!! I know this year will be one of the best ones yet!!! Our staff is excited to be back and we are looking forward to a full season that is a little more "normal". If we got through the past year and a half, we can get through anything!! **Here we go....21st Season of DMDA!!!!**

- **Classes Protocol**- Masks will be a personal choice, they will not be required for the dance classes. We will all now come through the lobby as we had done before. No more side door entrances for classes. Again, if you are sick STAY HOME! You can always do make up classes later!
- **Videos/Links**- If you were not able to come to the studio last week to pick up your recital DVD/Links no problem. You can come in next week and pick them up during your dancers' class time!
- **Registration**- You can still add any classes to your schedule if you would like. Quite a few of our classes are filling up or full, so if you would like to add one I suggest that you do so sooner than later. Our instructors will be watching class placements the first month or so to make sure that your child is in the correct class for their level and age. Just know that it is our utmost concern that your child gets the most out of their classes so we will make sure their class is a perfect fit.

TRY ANY STYLE OF DANCE WEEK!!!
