Holiday Break

Hope you are all doing well!! I would first like to tell all of you how much I appreciate you and we are so thrilled that this year has started off with the dancers so enthused to move and learn! I am happy we can continue to offer a place for your dancers to continue to grow as dancers! Our hope as instructors is that the students can also learn to incorporate the discipline, creativity, teamwork, respect, improvement of both mental and physical health, and dedication that dance provides into their daily lives beyond dance! The staff is so excited for this new season!!! We are off to a great start!!!

SEPTEMBER 2024

DANCER OF THE MONTH IS...
SHAY BOOZER!!

Shay has defeated the odds the last few years recovering from multiple surgeries. She continues to push through and challenge herself. Shay is a company member and is always willing to help any teacher or student. She stays positive and has been working so hard on her technique, flexibility and strength over the past few months. We are so proud of you, keep it up!!!!

Want to bring a school friend to dance with you? Grab a buddy pass at the front desk! The buddy pass allows you to bring your friend to one of your dance classes for free for the day! Have a parent fill out the waiver on the pass and dance the night away with your bestie!!!

Tuition

We are asking that everyone has a credit or debit card on file starting in September. (You do not HAVE TO sign up for Autopay but we encourage you to so you avoid late fees.)

Please remember that tuition is due the first class of the month and then is late after the 8th of the month. At that point late fees will be added automatically on the 9th to your account.

Keep in Mind: If you need to do make up classes and miss from now to December those have to be made up before the Winter break. If you miss classes in the second part of the season, Jan -June, those classes must be made up by May 1st.
