Instructions:

1. You will need to register for your Free Zoom Account. If you have numerous children that take classes at the same time, they will each need their own.
2. Go to the "Join a Meeting" page (Link is attached for you) <https://zoom.us/join> and type in the corresponding ID for your class when it is your assigned class time.
3. If you have the same teacher for a couple of classes in a row you do not need to log in and out, you just stay in her "Zoom Room". If you have one teacher and then another, you "Leave Meeting" and then just click on "Join Meeting" with the other teachers code.
4. This is a pretty simple process, **YOU GOT THIS!!!!**
5. **Dance and Enjoy!!!**

We are here to assist you in anyway, please DO NOT hesitate to ask. We will work through any kinks with this process as they surface.
