

# **Archery Range Safety Rules**

- 1. Absolutely No Firearms are to be used on this range.**
- 2. Field Point Arrows Only. Please No Broadheads.**
- 3. All targets are Compound and Crossbow Rated.**
- 4. Inspect Range/Targets for damage prior to and after shooting. (report damage)**
- 5. Arrows are to be shot Down Range Only. Never shoot arrows outside of range.**
- 6. Always observe the shooting lines and line safety.**
- 7. Check arrows for cracks, loose vanes, broken nocks, or any other condition that may cause harm to yourself or the range.**
- 8. Check for clear surroundings before drawing the bow to shoot.**
- 9. Caution: When pulling arrows from target, make sure no one is behind you.**
- 10. Members with guests may use their own space at the shooting line, provided no members are waiting.**

*Violations of these rules may lead to disciplinary action and expulsion from the club.*
