SANITARY WARES AND BATHROOM FIXTURES

## WELCOME TO ARTES MYER BATHROOM

One of the leading supplier of bathroom fixtures in the Philippines, Artes Myer is backed by local management team that possesses over 25 years of experience in the field of Sanitary Wares and Bathroom Fixtures. This is why in just a span of 15 years, Artes Myer has established itself as a leader in the household and construction market as a supplier of innovative, quality yet reasonably priced fixtures, much sought after by discerning building experts and home owners.

“To provide each and every customer with value for money products that do not sacrifice quality nor style, and to find ways to adopt the latest technology that we may be a step ahead of others in the field.”

**These are the very belief of Artes Myer.**

### Bathroom Solutions

Artes Myer product lines consists of waterclosets, lavatories, wash basins, showers, urinals, vanity cabinets, kitchen, and bathroom and plumbing accessories. We provide total bathroom solutions to different projects such as residential communities, condominiums, schools, hospitals, hotels, restaurants, malls, or any commercial buildings.

Our wide array of bathroom fixtures plus our years of expertise in service makes us a perfect choice for any of your projects be it residential or commercial one.

### Production and Logistics

In 2005, Artes Myer opened its showroom in Paco, Manila. Known for our complete line in bathroom fixtures and sanitary wares, Artes Myer quickly gained its reputation and became the choice line of many engineering, architectural, and property development firms. Our name soon spread out to many wholesalers and retailers nationwide.

Artes Myer produces superior ceramics and durable bathroom fixtures, thanks to our world class plants and its massive warehouses that can handle our client's serious demands.

Known for its finest clay and vitreous china, our factory is located in China - a large scale, modern ceramic production plant that covers full range ceramic products and sanitary wares. Our warehouse in Bulacan is an industrial complex manned with over 50 personnel processing of hundreds of orders and delivery every day. With our technical expertise and superb after sales service, we guarantee you the outmost value that you deserve.

### Quality yet Reasonably Priced Product

Artes Myer takes pride offering you a quality, satisfactory, and affordable bathroom solutions. Continuous innovations and improvements are one of our founding principles. Find your right items here without breaking the bank!

### Excellent Customer Satisfaction

It is our utmost priority to provide an excellent satisfaction and superb service to our clients. We work to a high quality standards to fulfill the ever increasing demand and expectations of our customers.

# WATERCLOSETS

Artes Myer waterclosets feature elegant body designs, soft closing seat cover *(on selected models only)*, and elongated seats that gives more comfort than traditional watercloset seat.

One Piece Waterclosets are designed as a single unit. Flush tank is attached to the bowl itself. With fewer elements and less crevices, it is easier to clean and gives much elegance.

Two Piece Waterclosets are designed with separate toilet and tank attached together with bolts and gaskets. They are light and easy to install, simpler, and easy to fix.

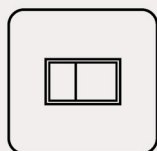

#### **Siphonic Flushing**

Powerful siphonic flushing easily removes wastes for a clean and odorless bathroom.

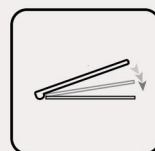

#### **Water Saver**

Easy to clean, smooth ceramic glaze, and efficient flushing.

#### **Dual Flush**

Every watercloset is equipped with dual flushing for a separate flushing for liquid and solid wastes.

#### **Soft Close**

Soft closing seat cover for an elegant, quite, and impressive bathroom.

#### **Comfort Seat**

Elongated, round and right height for more comfortable toilet.
