

# Barnwell PTO Presents...

## What is the Giving Tree 'REMIX'?

The Giving Tree is one way that Barnwell Bears can bring joy this holiday season to families in need. We are going to change the process of collecting gifts this year, but the end result will be the same. Your donation of a **NEW, UNWRAPPED item or gift card** will stock the 'Santa Shop' at North Fulton Community Charities ([www.nfcc.org](http://www.nfcc.org)) so *families in need in our community* can go and 'shop' for their children, free of charge. NFCC anticipates serving over 2,000 children in need this holiday season.

## When is the Giving Tree?

Shop for your gift on your own time. Students can bring their new, unwrapped gift donation to school any day between Dec. 1 and Dec. 11. We will track Barnwell Bear's generosity by decorating our winter tree with the students' handprints.

## Do I have to participate?

Absolutely not. This is just a fun way to give back and is not required.

## What if my family is in need?

We encourage you to reach out to Barnwell's counselor, Ms. McGrath, or you can apply for help directly from NFCC at

<https://nfcchelp.org/how-we-help/apply-for-help/>

If you're able to help with collections on any day between Dec. 1 and 11, or if you have questions, please email [erinkadzis@gmail.com](mailto:erinkadzis@gmail.com)

# The Giving Tree

Helping Those  
in Need

Dec. 1 - Dec. 11, 2020

## How do I participate?

Barnwell Bears, and their parents, can shop for a gift that they think a child their age would enjoy. You can also use the provided list as a guideline. Once you purchase the gift, trace your hand on the paper provided, cut it out, and color it any way you'd like. Tape the handprint to the unwrapped gift and drop it off during morning arrival any day between Dec. 1 and Dec. 11. A PTO parent will be there to collect the gifts and handprints and will then hang your handprint on Barnwell's Giving Tree. It will be fun to watch our tree grow with handprints signifying the generosity of our community. This is a wonderful opportunity to teach children about generosity and compassion as you shop for the gift to donate.

**See reverse for NFCC suggested donations as well as space for children to trace their hands so it can be posted on our Giving Tree.**
