

Chronic Care Management Consent Form

You have agreed to allow Mulberrys Mobile Provider Services (MMPS clinic) to enroll you today in the **Chronic Care Management Program (CCM)**. CCM involves comprehensive care management. There may be cost sharing, however, most patients have supplemental insurance to help cover the CCM cost sharing. By enrolling in CCM services you authorize one of our dedicated staff members to call you 1-3 times per month to follow up on your health care and inquire about medications or other identified needs. Sometimes, it may require the staff to contact your pharmacy on your behalf. A **call** may be as long as 20-30 minutes.

1. Only one practitioner can be paid for CCM services during a calendar month
2. You have the right to stop CCM services at any time (effective at the end of the calendar month)
3. You may contact the office **24/7 via the emergency hotline** if it is outside of regular office hours just follow phone prompts after dialing **352-358-8070**.
4. Your CCM representative is available to you for scheduling appointments etc.
5. You are expected to speak with your CCM representative when he or she calls, or at least return the call as soon as possible.

Who is eligible for CCM services?

1. Anyone with two or more chronic conditions expected to last at least 12 months or until death
2. Chronic conditions place the patient at significant risk of death, acute exacerbation/compensation, or functional decline
3. Comprehensive care plan established, implemented, revised, or monitored
