

Hurricane Evacuation Notice

I \_\_\_\_\_ understand that there has been an evacuation notice put into place in my area and have been asked to leave the premises immediately.

By signing this notice I understand that Vero Beach Kamp INC, has asked me to leave until such a time that Vero Beach Kamp deems it safe to return to their place of business. My signature declares that I understand I will not, under any circumstances, return to Vero Beach Kamp INC, until I receive a notice from them that they have deemed the park safe for patrons to return and have reopened for business.

I understand that by returning to property before being notified by Vero Beach Kamp INC that it is safe to return I will be removed from park and all rights to any refund will be voided.

\_\_\_\_ I am leaving my personal property on site and understand that leaving my personal property on site during a natural disaster could result in damage to property. I assume all liability for any damage done to my property as a result of a hurricane; including but not limited to flooding, water damage, physical damage of property and loss of property.

\_\_\_\_ I am taking all personal property off site and will not return until notified by Vero Beach Kamp INC, that they have deemed it safe to return.
