Rattle Can Dreams knows first-hand how healing creating can be and how art helps to battle the darkness that often accompanies mental illness. From spray paint art to graphic work, like what you see on our exclusive merch, RCD is passionate about grassroots community organizing and progressive change. This graphic work of RCD's joins together the BLM fist and the progress flag to highlight intersectional identities as well as the collective effort to end the oppression of and discrimination against all marginalized groups.

Zoom Pride Month Trivia Kahoot!

Join PFLAG Somerset in a virtual Kahoot! trivia extravaganza to learn about the history of Pride on June 24th @ 7PM. The winner will receive a PFLAG Somerset Pride swag bag!
