

# MARCH/APRIL 2024 NEWSLETTER

## Children's University

We wish you a Happy St. Patrick's Day and a Happy Easter!

### THIS WEEK

We would like to welcome some new staff to our center. Ms. Maya who is a Teacher's Aide and Ms. Azucena who is a highly qualified teacher. We are making efforts to recruit teachers with higher level experience and education who hold teacher permits by the office of Education. The office of education, the Department of Social Services, and the Department of Education view these teacher permits as one important indicator of a high-quality childcare.

The Brigrance assessments have been completed, please let us know if you would like a parent conference to discuss your child's development. These are a few fun educational events coming up:
