5 HOURS

Note: Live multi-camera switching and online streaming service is allowed once a year and can be used anytime within the year membership for annual payment.

Monthly membership can use it anytime within the year; however, if you canceled your membership before the full 12 months, charges for multi-camera services will be applied and billed at the regular rate of rendered service.

DISCLAIMER

Additional fees are charged at the regular rate for all video services when exceeding the allotted hours set for each month, or the subscribers can choose to borrow/credit hours against the following month to offset the charge. Early termination of subscription forfeits all unused hours and not refundable. The subscriber is charged for overage hours at the regular rate for early termination if video services hours were borrowed/credited from the month ahead allotted hours.
