

If you enjoyed our performance, feel so compelled, and have the means to do so, we would be grateful for your consideration at support through donations

Donations made here are to be distributed amongst the groups this evening for the shared responsibility of this performance!

Your donation will contribute to the primary purpose of the Prickly Pear Clarinet Ensemble: to promote the performing arts, with a particular emphasis on the clarinet, by providing musical performances and educational programs to the local and national community. We aim to foster a love for music, encourage artistic excellence, and make the performing arts accessible to individuals of all backgrounds, ages, and abilities.
