Getting a jump start on the coupon books for next year.

Discussion regarding coupon books:

Heather: The CTPO gets \$.22 per a coupon book. Perhaps the CTPO can receive more per book?

Betsy: Could we sell the leftover books at concerts?

Liz: We try to keep as close to number that need to be ordered because they are a huge liability.

Betsy: Can company buy back books?

Liz: No, company did it once, but no more.

A form will be created for summer scholarships on the computer.

**Rhea Saffer:**

Show meals will be served during Addams Family tech week. Look for google form for volunteer sign up.

Goode and Fresh Bakery will provide individually wrapped meals.

Perhaps GBN could provide meals for children's play. It would be a nice way for freshman and sophomore parents to participate.

Other available positions: membership, volunteer development, concessions, show meals, uniform committee
