Dana: Special nod to Jodi, Doug and Julie for their work on the yard signs. Ask kids to take pics with the signs and post them on website and instagram. The community loved them! Connected with Missy regarding Instagram. The CTPO should renew their Instagram page otherwise will miss an opportunity to connect with more people.

New Business:

The CTPO will subsidize the purchase of yellow roses for graduating seniors and a retirement gift recognizing Suzy Hall's years of service. Esther Kelly suggested a bouquet of flowers. A gift basket centering around themes of Florida, music and golf will be procured. Additionally, a senior t-shirt will be included. An email blast will be sent to the membership asking for contributions for the basket. James will look into getting GBN items from the Booster Club. Esther suggested the students sign a card during class. Julie suggested one card per a choir. The gift will be given on May 22nd at the choir banquet.

Heather motioned to provide yellow roses. Dana seconded. All in favor.

Tracey Becker motioned to spend \$100. For Suzy's gift. Dana seconded the motion. Motion passed.

Due to a conflict with concert, the June 1st meeting will be moved to June 10th. More information forthcoming.

Discussion ensued regarding making a donation to parent group organizing lock-in for seniors. **Esther motioned to respectfully decline opportunity to provide donation. Jodi seconded the motion. Motion passed.**

Liz would like to see a smooth transition between old and new slates. She would like the old slate to write down responsibilities and anything else that incoming people should know.

Liz would also like to find a new storage location for CTPO old paperwork, left over decorations etc. To be discussed at next meeting.

Julie suggested donating CTPO's leftover goods to senior parent committee for end-of-year lock-in. Also, leftover yard signs could go to incoming 8th graders.

Next meeting on June 10th. More info to come.
