Benefit students in program. (Nancy)

Originally for tour, banquet or tickets. Five or six years ago it was broadened. School makes provisions for kids on free and reduced lunch.

(Chad)

People may not be able to afford tickets so maybe we give it to them.

5% of school falls under hardship. (Julie)

Used to have money in case they couldn't use it. But nobody accessed it. (Nancy)

Everybody should feel included. (Jodi)
