Crescendo of Hope

Dear Community Partner,

We are honored to invite you to Crescendo of Hope, San Antonio Youth Ensemble 21st Century (SAYExxi, Inc.) founding gala and community celebration, on Thursday, October 15, 2026, benefitting the San Antonio Youth Academy of Music (SAYAoM).

SAYExxi, Inc. is a youth-development nonprofit focused on creating meaningful opportunities through music, education, and service for youth ages 12–22. Its flagship initiative, the SAYAoM, will provide San Antonio area youth with music and dance education using technology, performances, and leadership development. Our goal is to help young people discover the gifts within themselves and use them to improve the world around them.

Your presence and support will send a powerful message: that San Antonio's youth are valued, supported, and worthy of opportunities that inspire growth, creativity, and success. Together, we can help young people discover their gifts, build their confidence, and pursue their dreams. Because when a community shows up for its youth, extraordinary things become possible.

This special, invitation-only evening marks the official launch of the San Antonio Youth Academy of Music (SAYAoM), an initiative dedicated to developing the next generation through the creative arts.
