The Searching For AI - Week In Review summarizes stories about financial institutions LIVE with AI applications. The source data for this report is the Searching for AI Case Study Archive containing thousands of items about financial institutions live with AI.

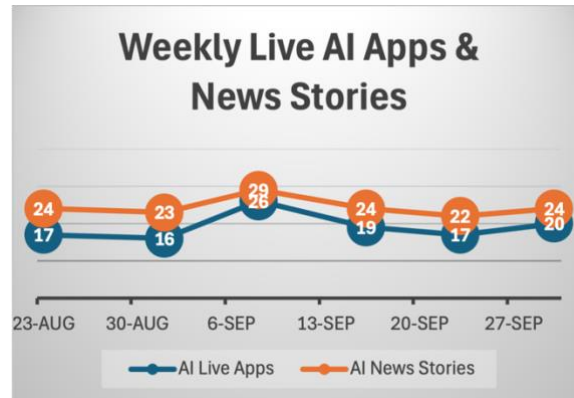

This week in the news.... **Credit Unions and Lending.** Lots of cool CU stories in this newsfeed, plus lending seems to be strengthening in terms of case study appearances. Lots going on in this area.

Top Case Study Headlines This Week:

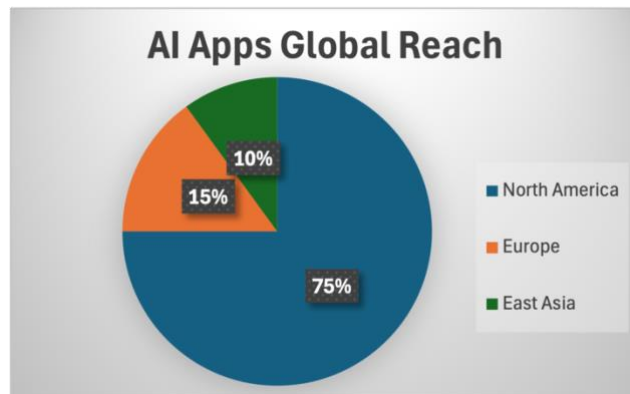

“**Rocket Mortgage** AI-Driven Rocket Logic - Closes 2.5x Faster Than Industry”

“How **S&P/Kensho** is Building a Generative AI Tool That Delivers Accurate Information”

“At **Raymond James** - Here’s how AI is Helping Financial Advisors Manage Portfolios”

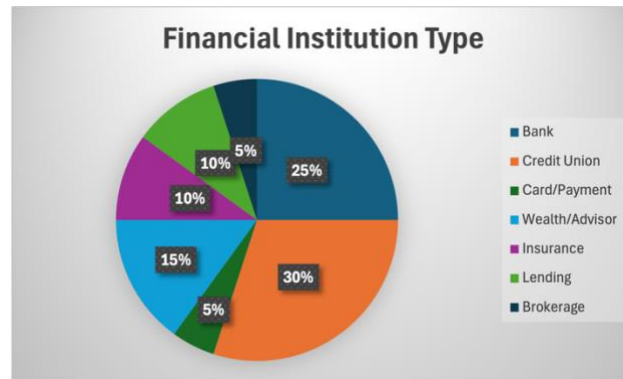

- **20 case studies this week.** 24 stories in total, lots of variety in this week’s case studies with Credit Union stories dominating the numbers. Lending, wealth and insurance all have representation this past week.

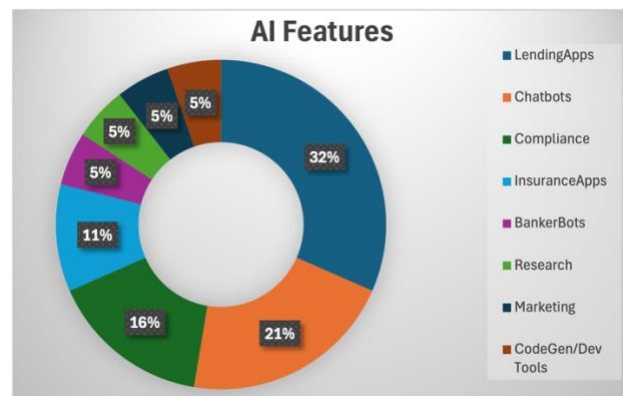

- **75% from US Markets This Week.** This week less regional representation. USA dominates the data. Next week, emphasis on Asia.

- **Another Diverse Week For Live Financial Institutions.** Again, CUs are showing up in the weekly data more consistently. And Lending and Wealth pop up frequently too.

- **Lots of Lending & Loan AI.** Lending was a theme in the case studies this week from mortgage to auto loans. Insurance was also a rich vein to mine for AI case studies.

Check out the detailed case studies on the Searching for AI web site, if you yourself, seek AI 😊
