

# 2022 District Yearbook Program ad Form

We are family, that extends beyond the office, to permeate society. Like sports itself, we transcend any boundaries, barriers, or borders to provide a safe, nurturing, and inclusive workplace for our devoted employees thereby creating a developmental environment for our athletes to make life-changing memories for all. We raise tomorrow's leaders on today's playgrounds, one athlete at a time. Our supportive approach embraces energy, enthusiasm, and healthy competition – and we have a little fun doing it!

We welcome you into our culture and program. By supporting our athletes, coaches, and clubs, you will provide SPAAU Gymnastics with the means to continue building a community without our program that we can all be proud of.

We are asking for sponsors to contribute to SPAAU Gymnastics by placing an ad in our annual program book. Profits will support annual scholarships, growth of our program, gyms within our program and awards for our gymnasts.
