

Celebrates the
LACKAWANNA RIVER

**PENNSYLVANIA
RIVER OF THE
YEAR 2020**

Lackawanna River Conservation Association (LRCA) had to postpone its major fundraiser, RiverFest, because of the COVID-19 pandemic. The LRCA Ducks have been patiently awaiting Saturday, September 26, 2020 for a scaled down RiverFest 2020. The Ducks can't wait to "float" on the Lackawanna River, Pennsylvania River of the Year 2020. The cash prizes of **\$500, \$250, \$100** will be announced from the entries of the winning duck number and the lucky person will be chosen, 1st, 2nd, and 3rd place, respectively.

The courageous LRCA flock of ten “duckies” will launch on Saturday, September 26, 2020 at 3 PM just upstream of Sweeney’s Beach Recreation Area into the waters of the Lackawanna River for an exciting race to the finish. These fiercely competitive racers will slog it out for the pole position for that famous feathery dash to the checkered flag!

Ducks tickets are available for \$5 individual duck, \$10 for a gaggle of three or \$20 for a flock of eight.

To purchase duck tickets, stop by our offices (call or email to make an appointment), on-line at [Duck-A-Thon](#) or purchase at the LRCA information tent during **RIVERFEST 2020** on Saturday, September 26, 2020.

Show the world you are supporting the work of the LRCA to help clean up, conserve, and protect the Lackawanna River and its watershed.
