Dorchester Shrine Club

From the President: Ben Waring

What another great month it has been in July! Our club and its members seem to get better and better each month and the events are getting Bigger and Better too! We have benefited from a great bit of new support from guest attendance at these events as well as our volunteers.

We had another great month of BIG Wing Nights. We are cooking more wings than ever and even had to add a second fryer on the back porch. We added a 50/50 raffle that has been a big hit with the guests as everyone has been participating! As always, I want to take the time to thank the ones that work their tails off to make these nights go as smooth as they do: Jimmy & Sharon Droze and John & Christi Kilcoyne for the Thursday night preparations; Robert & Andrea; Billy & Sharon; Tony & Roberta; Chris & Lori; Robert & Family; Brent; Thomas; Eugene & April; Baylie; Dan & Cookie; Jennifer; Gerald and any other great volunteer who helped with wing nights last month.

The fireworks show was a huge success to the club. Again, a great bunch of volunteers stepped up to make this event a great one. We had some small technical difficulties but we figured out the problem and have learned what to do to make these so much better in the future. I want to thank everyone for getting the word out to bring so many people to this event. We had a great turnout along with a campground full of campers.

For August, we have two BIG Wing Nights planned with the first one being on the weekend of the Boat Races. Please spread the word and let's get as many guests as we can for the Boat Races on Saturday, August 11. We plan on packing the campground—the camper spots in the campground are full as of this point. I will be making contact with all that are on the list to confirm your spot. If you are still interested in a spot, please call me so I can put you on the stand by list so I can get you in if someone cancels. I look forward to this being a great weekend and I hope that all of you take advantage of this event at your club. Please see the attached flyer for the boat races and post them everywhere that you can. Help spread the word!

As always, your Board is working everyday on making the club better. If you have any ideas on upgrades, events or any way to make our club better, please let us know. We have completed a lot this year and still have plenty more projects in the works. You will begin to see some upgrades to the ballroom in the near future that will help sell our venue for rentals. All of these projects have been accomplished by many of our members and not just one. With any GREAT TEAM success comes from hard work by ALL and the teamwork that we have had this year has been amazing! I want to thank all of you on this team because my place on the team has been an easy job. I look forward to continuing to growing our club and I hope to continue to have each of your support as this year continues. Anyone wishing to volunteer with any events or club projects, please let us know as we could always use more help. All of your friendships mean more to me than you will ever know. I appreciate all of you and especially all the Ladies that continue to work hard for our success. Fraternally, Ben
