Dorchester Shrine Club

From the President: Ben Waring

Another month has passed and wow what a great time we are having. I really never imagined getting the support I have received from all of you. This has been a fun time and I have met some of my closest friends here at our club.

I want to thank everyone that made this past weekend's events such a great success. Wing night was another big one with many new faces along with some regular ones. I always look forward to seeing everyone and am already excited for the next one to be here. The Fireworks show was a great event. We got a little scare with the weather throughout the day however the evening was a blast and beautiful with a wonderful crowd of members and guests.

I want to especially thank the members that camped throughout the weekend and worked so hard to prepare, work during and cleanup for both events. Thank you to all of you ladies that worked hard to make sure things were perfect and to keep all of us in line.

I also want to reach out and thank all of you that stepped up and helped at the work day on June 24th. A lot was accomplished to ensure our club stays in presentable shape and none of us could do it alone. I ask that all of you continue to support the club, keep spreading the word about our events and I look forward to being right here with all of you.

The boat races are still a go for the weekend of August 11. Camp spots are still \$15 per night and they are booking up fast. Please contact me if you want to reserve a spot in the campground. We will have wing night that Friday night as well so it will be a busy weekend and an enjoyable one.

Thank you again for your support and I look forward to making many more memories with all of you. Please let me know if I can be of any assistance to any of you. Fraternally, Ben
