## From the President: Ben Waring

Yet another month has passed and we are beginning to close out the year. What a great ride it has been; however, we aren't done yet! We will continue to have the wing nights as long as we continue to get the support that we are still getting. We will have two wing nights this month and I hope to see all of the regulars as well as new faces too! We are also gearing up to try a Steak night in October along with the planning of a big KCBS barbecue competition in November. We still have a lot of events ahead of us and hope that all of you will continue to support your club.

The lighting upgrades have been completed to the facility and all lighting is now LED which should slowly begin to save us monies in the future. It was a much needed upgrade. We have had a lot of donations to our club this year with the purpose of upgrading our building so that it is much more appealing when our tenants are looking to rent the facility. We have added a pretty lighted fountain off the point of the dock. We are in the process of obtaining quotes to paint the interior of the club. This is another project that is well overdue that we will be working on real soon.

There are many other projects that will take place throughout the year and never will I ever take credit for any of them. This has been a true TEAM effort and what an AWE-SOME TEAM WE have had!! We could not have accomplished anything that we have without every player that has been involved. I have strong beliefs that our team will stay together to finish out what we have started and we will finish with a GREAT year. I look forward to seeing all of our members in the near future.

Please remember that if you have not paid your 2018 dues to make sure you do real soon. We still have many members that have not paid their dues. The old lock will be coming off of the gate on **Friday, September 21**. If you do not pay before then you will not be able to get in the gate. Please call any of your Board members and we will do whatever it takes to get your card and key.

As always I have really enjoyed being a part of this great club and look forward to many more exciting events with all of you. Please reach out to me if I can be of any assistance to any of you. Fraternally, Ben

## Old Lock Coming Off Gate

With the crazy busy work on events and renovations this summer, the old lock was kept on the gate to ensure everyone had a chance to renew their dues and receive a key. The old lock will be removed from the gate on Friday, September 21. If you have not renewed your membership since July 1, your old key will no longer open the gate.
