## From the President: Ben Waring

I would like to take this opportunity to tell each one of you how grateful I am for the support that was shown to me this entire year. It has been such an honor to serve as your 2018 President of this great club. I have met some of my closest friends that I will ever have in life right here at our club. The support that each of you have given is what made our club what it is. We have accomplished so many great things this year to ensure that we pass on the club to the new elected officers in better shape than we received it. If this simple theory is done each year our club will be around for many years. To our members I say **THANK YOU** for this. It's every one of you that made this happen. I have just considered myself as one of the teammates on this great team. To our 2018 officers, thank you for putting up with me and working with me throughout this entire year. We worked our tails off but I wouldn't trade it for anything. I feel that we accomplished our goals and we still continue to move forward.

As I pass the reins on to my close Brother Robert "Damn-it Man" Warder, I would like to first congratulate him on becoming the 2019 President of DSC! I appreciate all of your hard work and the dedication that you have shown to this club throughout my year as President. Thank you for filling in when needed but most of all thank you for your friendship! I have no doubt that you will pick up and move this club even better than it has moved this year.

In closing I hope that all of you and your families have a wonderful Holiday Season and a Happy New Year. I look forward to the continued friendships and make one promise to all of you. I'm not going anywhere and please don't hesitate to call on me. Thank you. Fraternally, Ben
