Dorchester Shrine Club

From the President: John Kilcoyne

What a year 2022 has been! From the return of the Kids' Fishing Rodeo to record-breaking numbers on BIG Wing Night, the support of our members, the Nobility, our neighbors, and of course, our Ladies, has just been beyond imagination.

We have been able to continue with much-needed improvements to the club in spite of the challenges created by the recent pandemic. Among some of the most visibly obvious renovations are the overhaul of the clubhouse dock, installation of bollards around the new propane tank, removal of the carpet in the foyer and hallway (and polishing the concrete), and replacement of the metal ballroom chairs with new white event chairs. Members also continuously work on landscaping, campground, road, and Point improvements. It's a non-stop process—day in and day out—and we have been blessed with members who identify a need and step up to improve or maintain our facilities. Thank you—we appreciate your generosity of spirit and hard work.

The Club is not a building or structure. It is our fraternal body working together to accomplish great things that we could not accomplish alone. I am so very proud that our hard work and dedication also made it possible for the Club to give generously to Omar Shrine Temple and Shriners Children's this year. And most importantly, that fine example of brotherhood and fellowship drew 30 new members to the Club in 2022—members who will share the brotherhood in kind.

It has been my honor and privilege to serve as your president. Please continue your support of the incoming Board of Directors in 2023. A number of events are on the calendar (see page 2) and more great things are on the way! Reminder—don't forget to RSVP for the Club installation in January.

On behalf of Lady Christi, Merry Christmas and Happy New Year! Fraternally, John
