Dorchester Shrine Club

From the President: Robert Warder

I am always looking for a way to open this note to you and again I can think of no better way than saying **THANK YOU** to all of our volunteers. I am aware that it takes a lot effort and uses up huge chunks of your free time. I and every-one else appreciate it more than we could ever express.

June started out on a high note with the Boat Races, another success story that many folks enjoyed. It was a good time mingling with the community plus being able to spend time with our fellow nobles and their families. The races got off to a slow start with equipment issues and a few hiccups with staging for the races. However once the boats started racing we had some excellent competition. Many of the races were well-matched with exciting finishes. There were a few tense moments when engine cowlings were blown off forcing one driver to dive in to save his from sinking. This put our local **Dorchester County Fire Rescue Special Ops Team** into action, making sure he got back to land safely. That being said, Dorchester Shrine Club sends a huge thanks to the members of that team—**ANTHONY SIMMONS, BRYSON JEFFORDS and ANDREW SCHMIDT**—for volunteering their time and expertise. Another example of volunteers making things happen—we could not have done it without them.

Following the boat races, we held the annual Membership drive. Thanks to everyone who took advantage of participating in the drive as it saves the club money in the long run. Another thanks to John for cooking the awesome hamburgers and hotdogs we all enjoyed.

Big Wing Nights were a success again with many new people showing up along with the regular crowd to not only fill up on the **FANTASTIC** wings, but to enjoy the camaraderie and fellowship throughout the night. We closed the month of June with a great big wing night, followed by a awesome fireworks show on Saturday. A bit of bad weather just prior to start time may have kept a few people away but, to the ones who braved it out, it was well worth it. An excellent display of fireworks this year combined with the great food and beverages made it an enjoyable evening for all. A big thank you to **RA Legette** and **Tony Bunch** for putting that together for us. A big thank you also to **Melissa Polutta** of **TRASH GURL** waste management of Charleston, SC for the portable restrooms that came in so handy for the crowd and to **Daryl Wiggins** of **514 JUMP** for the water slide he graciously provided at the last minute. Many of the kids, big and small, had a good time with it!

A couple quick reminders—we have Big Wing Night coming up again on 12 and 26 July. And mark your calendars—we also have the boat racers coming back on 17 August 2019. Of course the races will be preceded on that Friday (16 Aug) with Big Wing Night.

Thank you again for your support and I look forward to more good times with all of you. If there is any way I can be of assistance to you, let me know. Fraternally, Robert
