Arlington Garden Club

The Arlington Garden club (AGC) was organized in 1934 by a small group of women who had a vision for making Arlington a better and more beautiful place to live. Our members, women and men, continue that vision with enthusiasm, and we have fun!

Monthly Meetings ~ Our members get together to socialize and learn more about gardening from each other and from our speakers. We meet on the 2nd Monday of the month except July and August. We also enjoy several special events, craft days and field trips. Most meetings are held at the Gleneagle Golf Club Family Restaurant.

Annual Plant Sale ~ This is one of our fundraisers. It is held each spring on the second Saturday in May by the Mayor's Garden next to City Hall.

Holiday Garden Art & Crafts ~ Our second fundraiser of the year is held the Saturday before Thanksgiving from 9am to 3pm at the Gleneagle Golf Club.

Donations and Scholarships ~ Each year our club makes donations that benefit horticulture related groups or projects in the area. This has included FFA High School programs, WSU Research in Mount Vernon, plants for the Mayor's Garden, and one or more scholarships to graduating seniors studying horticulture or environmental related fields.

Gardens ~ We maintain the Mayor's Garden and the Boulton Memorial.
