

Bringing the Lake Host Program to Your Community

Krystal Costa, Conservation Program Coordinator

NH LAKES March 5, 2019

Our Mission is to...

**...keep New Hampshire's lakes, clean and healthy,
now and in the future.**

**We're a nonprofit organization
that is the voice for all of New
Hampshire's 1,000 lakes.**

People like YOU sustain our year-round programs to protect water quality, support lake-friendly legislation, and encourage the public to adopt lake-friendly practices.

**By working together...
our lakes will be cleaner and healthier,
for our enjoyment today, and in the
future.**

How many lakes & ponds are there in NH?

Lakes & ponds are an integral part of New Hampshire's quality of life, economy, & natural heritage.

How are lakes important to you?

New Hampshire is home to some of the cleanest & healthiest lakes in the country.

What threatens our lakes?

What's the problem with invasive species?

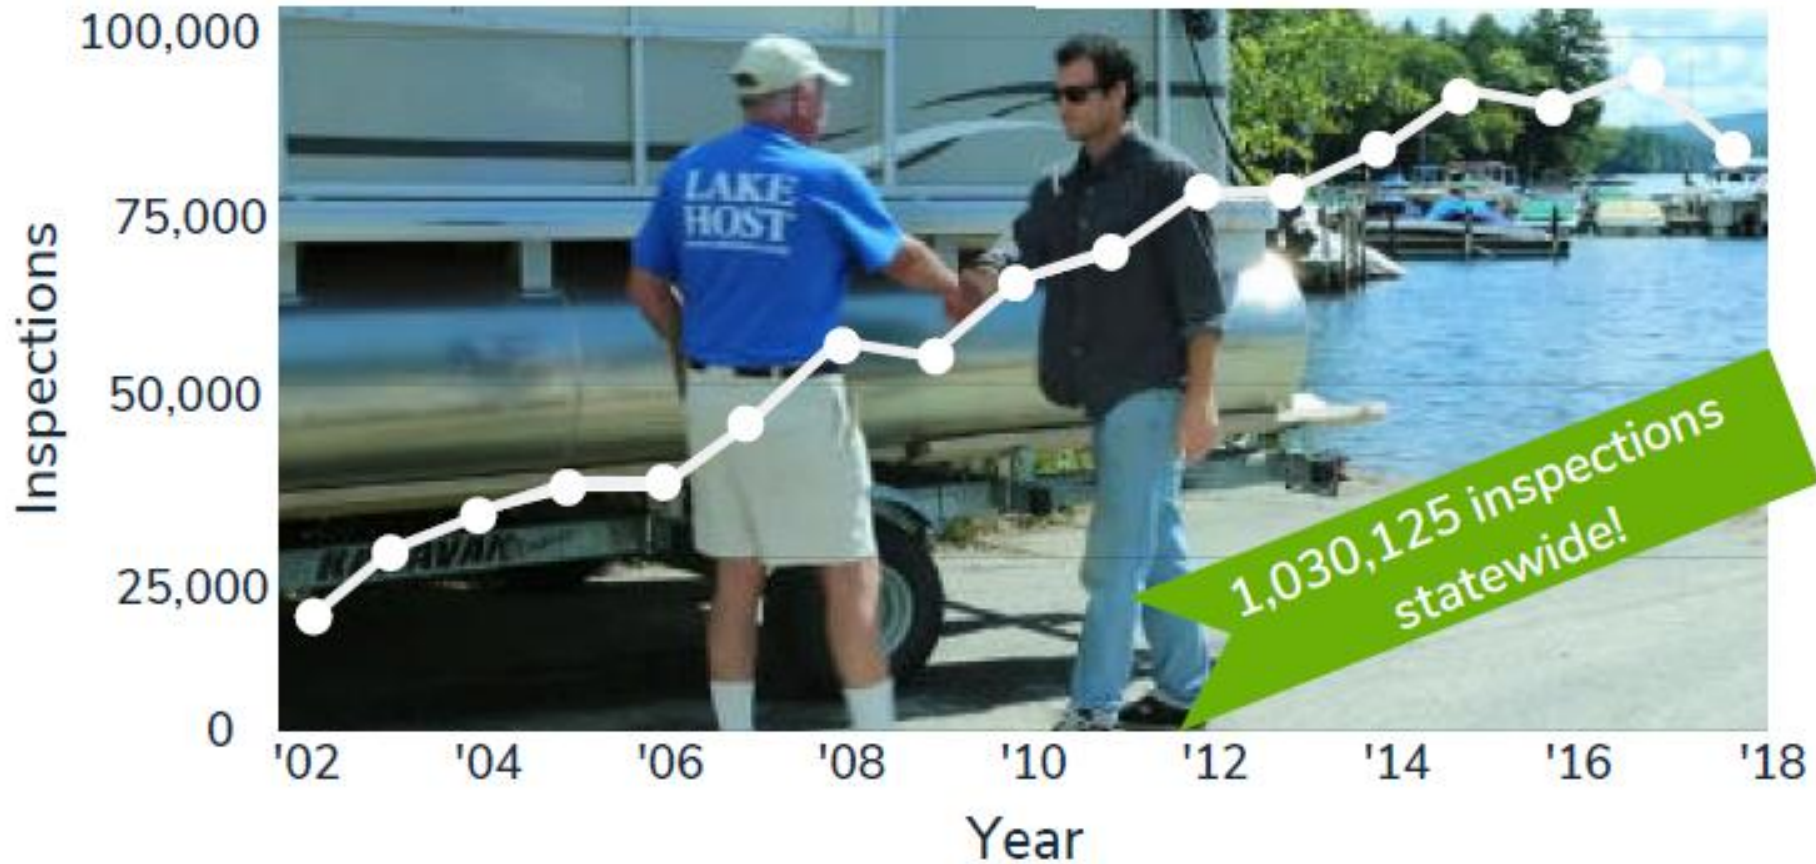

Boots on the ground defense.

COURTESY BOAT INSPECTIONS

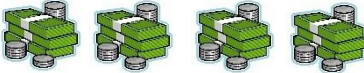

What if a waterbody becomes infested with an aquatic invasive species?

The presence of invasive milfoil would reduce property values of an average home in New Hampshire by approximately 16%.
