

Re-Configure Any Space

# KleenEdge™ Privacy Partition & Quickload Curtain

## Instant Barrier

Partition installs in 15 minutes and provides instant privacy between patient beds.

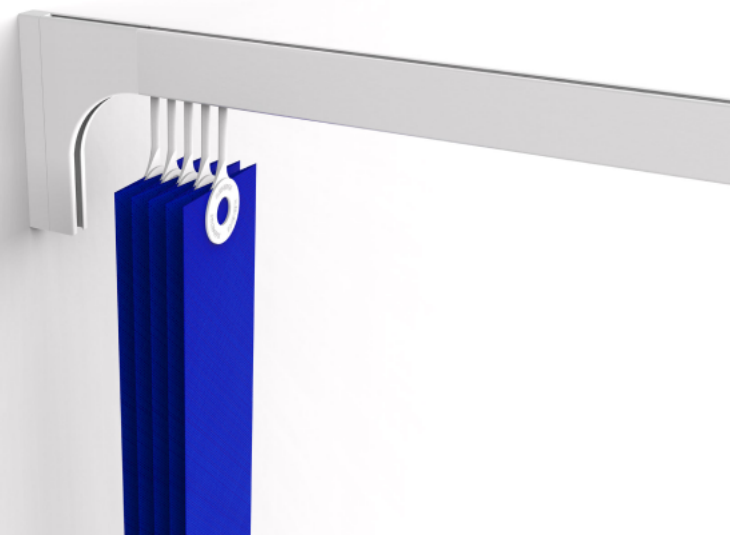

## Quickload Bracket

Install your recyclable curtain within 3 seconds. Reduce infection risk!

## Protocol Compliance Software

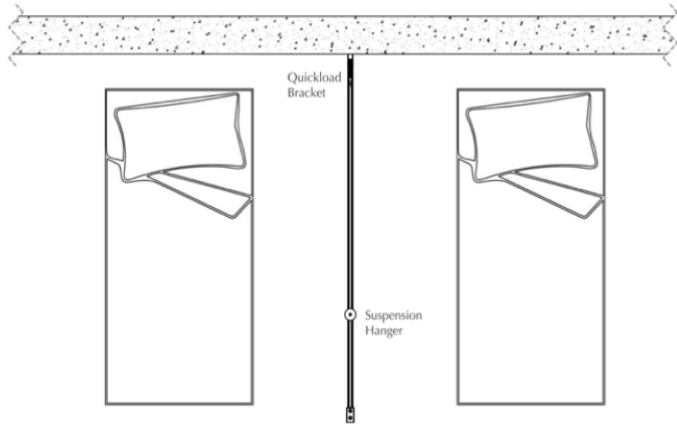

Activate the Protocol Software to flag and document; gather data on all exchanges including ISO.

Create a space with dignity and privacy by installing our KleenEdge™ Privacy Partition in any location.
