*TD Logistics mission is to provide innovative, practical and top quality freight management and freight broker related services that offer our customer's a competitive advantage. We are dedicated to adding value for clients, associates, and business partners by committing to what we can deliver and delivering on what we commit!*

## ABOUT US

TD Logistics is a non-asset based 3PL provider. TD is comprised of industry professionals with a minimum 5 years of freight transportation and brokerage experience. Experience and knowledge is our advantage in freight transportation and logistics.

TD also offers Customs Brokerage through our in-house customs brokerage team. We are a full service Customs Brokerage firm with the ability to clear cargo in all US Ports.

TD has a simple philosophy for success, provide our services with integrity, communicate fully with our clients and carriers, execute what we commit to. We live by this philosophy daily.
