The programme is subject to change depending on the circumstances around covid.

There are a number in the fellowship who continue to need our prayers.

Pray for Fran, whose son Russell recently passed away after a long illness.

For Len in his illness and that the Lord will be with him and meet all his needs. Also uphold Joy in our prayers.

Also remember Diane, Cicely and others in the fellowship who are going through difficult and challenging times.

I can do all this through him who gives me strength. Philippians 4:13
