

Bulletin June 2020

Sunday Services Online

The lockdown continues as far as we are aware during the month of June and therefore again will not be meeting together as a church. If anything changes, we will let everybody know. As last month the whole service link on the internet will be emailed and is also accessible on the church website. The message only, will continue to be published on the 'Goodwood Evangelical Church' site on YouTube. These messages will normally be published by early on Sunday morning. Paper notes of the service will continue to be produced and be distributed for those who do not have access to the internet.

For those who are able and have access to the Video App 'Zoom', there will be 'Coffee after the Service' chat together at 12 midday.

Thursday Prayer Meeting

Even though the clapping for NHS on Thursdays is finished, our Thursday prayer meeting will continue initially during the month at 8.15pm, via 'Zoom', for those able to have access. However, this might move to an earlier time later in the month. Stephen Taylor will issue the 'Prayer Bulletin' prior to the meeting.

Decoration of the Main Hall

Whilst the building is out of action the Main Hall, Entrance and Side Room will be re-decorated. Work is scheduled to begin on Monday June 15th and will last about a week.

Let us continue to uphold one another in prayer and where possible keep in contact with each other. Continue to pray for the countries still affected by the virus and those in government, that may have wisdom in the decisions they make. Those who are feeling the pressure who work on the front line and those effected with mental strain due to isolation and pressures. May the Lord help us to be His witnesses in this time. In all this to give thanks and praise to God for his continue presence and help to us.

And Moses said to the people, "Fear not, stand firm, and see the salvation of the Lord, which he will work for you today." Exodus 14:13
