

ABOUT US

Founded in 1998, Professional Carers employs over 250+ dedicated and compassionate carers who deliver exceptional domiciliary care and support within the community.

We are fully registered with both the Care Quality Commission (CQC) and the Care Inspectorate, and proudly provide contracted care services on behalf of Wirral Borough Council, the City of Edinburgh Council and the NHS.

Our Services

We provide support for adults aged 18 and over within their own homes, within Extra Care accommodation, and through overnight Mobile Night Services.

Our support also includes end-of-life care, as well as S.T.A.R. (Short Term Assessment and Reablement) services designed to promote independence and recovery.

Peace of Mind

We are able to provide peace of mind and reassurance that your loved ones are safe, comfortable, and well cared for around the clock; with free access to our OpenPass app, allowing families to monitor care delivery in real time.

The dignity, privacy, and independence of the people we support are at the heart of everything we do. This guides the way we deliver compassionate, person-centred care that always puts people first.

CARING IS OUR PASSION

Family-owned and operated, Professional Carers has become a familiar and trusted presence.

Our carers' distinctive uniforms reflect the high standards of care and professionalism we are known for, alongside our reputation for delivering affordable, compassionate, and reliable support.

PERSONALISED CARE, TAILORED TO YOU

We can provide:

- Meal preparation and nutritional support
- Personal care and daily living assistance
- Medication support, prompts, and monitoring
- Domestic help and household tasks
- Shopping assistance, companionship, and appointment escorts
- Dementia care
- Night sitting and overnight support
- Compassionate end-of-life care

Starting from as little as 30-minute care visits, our flexible support can be privately funded or arranged through your local authority. Speak to our friendly team for advice and information about our fees and care options.

AREAS WE COVER

WIRRAL ;

Wallasey, West Wirral and Birkenhead (postcode areas CH42, CH43, CH44, CH45, CH46, CH47, CH48, CH49).

We also offer a dedicated Wirral-wide overnight support service between 10:00pm and 7:00am, providing reassurance and care when it's needed most. This specialist service is known as 'Mobile Nights'.

EDINBURGH ;

South Queensferry, Kirkliston, Drylaw and Cramond (postcode areas EH4, EH12, EH28, EH29 and EH30).

Don't see your area, we are always expanding, so please get in touch to enquire.
