CAGE: 1ALB8 | **UEI:** E5UNUDYELNP5 | **Location:** Dunedin, Florida.

ABOUT THE FIRM:

Nagele Security Advisors, LLC integrates high-level security strategy into organizational culture. Our firm leverages 40 years of elite experience, including 21 years in the U.S. Army Military Police Corps (Sergeant Major, E-9) and 19 years of public and private sector security leadership. We specialize in Proactive Prevention, identifying "Leakage" and early warning indicators to mitigate risks before they escalate.

CORE ADVISORY PILLARS:

- **Workplace Violence Prevention and Intervention (WVPI):** We establish multidisciplinary threat management frameworks and de-escalation protocols that prioritize employee dignity while reducing corporate liability through proactive intervention.
 - **Strategic Vulnerability and Risk Assessments:** Moving beyond generic threat-modeling, we conduct deep-dive assessments to identify physical and systemic vulnerabilities, mapping credible intervention strategies to the specific organizational mission.
 - **Developing a Culture of Care:** We partner with executive leadership to build high-trust environments where psychological safety is the primary line of defense and security is woven into daily values.
 - **High-Stakes Strategy & Executive Advisory:** Providing discreet counsel for C-Suite leaders and Boards, ensuring security decisions are proactive, informed, and aligned with enterprise-wide resilience.
 - **Forensic Security & Expert Testimony:** Providing a forensic lens to evaluate the professional **Standard of Care**. We deliver objective, practitioner-driven insights grounded in 40 years of security leadership and the **IAPSC Forensic Methodology**.
-

THE NAGELE DIFFERENTIATOR:

- **Strategic Depth:** Dual Master of Arts degrees in *Business & Organizational Security Management and Management & Leadership*.
 - **Certified Authority:** Retired Federal Law Enforcement Officer (LEOSA / HR 218).
 - **Standard of Care Mastery:** Elite counsel derived from four decades of "Boots to Boardroom" security leadership and advanced academic research.
