### ABOUT THE FIRM

---

Nagele Security Advisors, LLC is a U.S. Small Business Administration-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and Veteran-Owned Small Business (VOSB) providing elite forensic security consulting, expert witness testimony, and strategic security advisory services. The firm leverages over 40 years of cumulative experience including 21 years in the U.S. Army Military Police Corps as a Sergeant Major (E-9) and 19 years of corporate and private sector security leadership. As a member of the International Association of Professional Security Consultants (IAPSC), the firm applies the IAPSC Forensic Methodology — a consensus-based, peer-reviewed framework reviewed and accepted by multiple Federal District Courts throughout the United States — to every forensic engagement.

### CORE ADVISORY PILLARS

---

#### Forensic Security & Expert Witness Testimony

Retained as a forensic security expert witness in civil litigation matters involving premises liability, negligent security, and physical security standard of care. Applying the IAPSC Forensic Methodology for both plaintiff and defense counsel. Opinions are grounded solely in the evidence and the established Standard of Care, ensuring testimony remains credible, unbiased, and defensible under the most rigorous cross-examination.

#### Workplace Violence Prevention and Intervention (WVPI)

Establishing multidisciplinary threat management frameworks and de-escalation protocols that prioritize employee dignity while reducing corporate liability through proactive intervention. Identifying behavioral leakage and early warning indicators before incidents occur.

#### Strategic Vulnerability and Risk Assessments

Conducting deep-dive assessments to identify physical, operational, and systemic vulnerabilities. Mapping credible, intervention-based mitigation strategies to specific organizational missions and long-term resilience goals.

#### Developing a Culture of Care

Partnering with executive leadership to build high-trust environments where psychological safety is the primary line of defense and security is woven into daily organizational values and culture.

#### High-Stakes Security Strategy & Executive Advisory

Providing discreet counsel for C-Suite leaders and Boards of Directors, ensuring security decisions are proactive, informed, and aligned with enterprise-wide resilience goals. Fractional CSO support available.
