## **I. CHILI COOKING RULES**

**A. CHILI COOKED ON SITE - All chili must be cooked from scratch on site the day of the cookoff. All chili must be prepared in the open (no cooking in motorhomes, etc.).**

1. CHILI COOKED FROM SCRATCH - "Scratch" is defined as starting with raw meat. No marinating is allowed.

Commercial chili powder is permissible, but complete commercial chili mixes ("just add meat" mixes that contain pre measured spices) are NOT permitted.

2. NO FILLERS IN CHILI - Beans, macaroni, rice, hominy, or other similar ingredients are not permitted.

3. SANITATION - Cooks are to prepare and cook chili in as sanitary a manner as possible.

a. INSPECTION OF COOKING CONDITIONS - Cooking conditions are subject to inspection by the head judge or his/her designee and CASI Referee. (Failure to comply is subject to disqualification.)

b. COOKS MAY HAVE TO TASTE THEIR CHILI - At the discretion of the head judge or CASI Referee, chili cooks may be required to remove the lids from their chili cups and taste their chili before turning in for judging. (If a contestant refuses, his or her chili will be disqualified.)

B. ONE CHILI PER COOK - Each head cook is responsible for preparing one pot of chili that he or she intends to be

judged and turning in one judging cup from that pot. No more than one judging sample can be taken from any one

pot.

c. COOKS MUST SIGN NUMBER SLIPS - Chili cooks must sign their secret ticket slips in ink with their first and

last names at the time cups are issued. A cook will not be eligible to win (place in the top 10), if their secret ticket is unsigned when presented. NOTE: Cooks must present their signed secret ticket to win.

D. PROTECT THE JUDGING CUP - Once judging cups have been issued, each head cook is responsible for his or her

judging cup. Cooks must not remove or tamper with the ticket on the outside of the cups. Any marked or altered cup must be replaced prior to turn-in or it will be disqualified. (See Page 2, Sections A.4. and 5. for cup replacement.)

E. FILLING CUPS - Cups will be filled A full or to the level designated at the cooks' meeting.

F. CHILI TURN-IN - Chili will be turned in at the place and time designated at the cooks' meeting or as otherwise designated by the head judge.

G. PYROTECHNICS - No chili contestant may discharge firearms or use any pyrotechnics or explosives at a chili cookoff. Contestants discharging firearms and/or using explosives or other pyrotechnics will be disqualified from the chili cookoff.

H. PENALTIES - f. Decisions of the official(s) are final. Official monitoring the cookoff will immediately notify the head cook and give a reason for disqualification. In the event disqualification of a cup of chili occurs after judging has started, it is not necessary that the cook be located or given an explanation for the disqualification.

## EMTA

### Beaver County Chapter of the Oklahoma Emergency Medical Technician's Association

**Dear Sir or  
Madam:**

**This letter is a donation request for an item that we can use for a door prize for our 25nd Annual Cowchip Chili Cook-off to held this year on Saturday April 10, 2021, at the Beaver County Fairgrounds, in Beaver, OK.**

**With the generosity of you and others in donating door prizes we have been able to host a successful Chili Cook-off in the past. This is the only fundraiser that we host each year. The proceeds from this event are used to;**

▶ Buy "jump kits" for emergency first responders to use until an ambulance arrives.

To help purchase uniform shirts for our Medics.

▶ Continuing Education training. > To help set up and maintain an Area wide Community Training Center for the American Heart Association in Beaver, OK, which allows instructors to teach CPR and AED classes for all of those that wish to learn this valuable life saving skill.

We realize that with economic times being tough that it is hard sometimes to be able to donate to every organization that contacts you, but your time and support is greatly appreciated.

Thanks In Advance,

Brooke Wasoski, President Beaver County Chapter of the OEMTA
