Presidential Notes

When I was voted in as President at the general meeting in February, I knew it would be a challenging year for our club. The members who joined me on the board wanted to see our club continue in its mission to hold dog shows promoting the Dalmatian breed under AKC rules. We are a small club with limited volunteers, but we are committed to going forward with this objective. Our next show will be a Concurrent Specialty & Sweepstakes with Silver Bay KC on February 27, 2027. Our motorhome will be parked there for a gathering with food, treats & the fun of being at a dog show.

When dues notices go out, I hope you all will think about how you can help with this club; either by paying dues, donating to our trophy fund, participating in our See's candy drive, volunteering at our next show, and/or serve on the board. If you don't want to do any of those, what point is there in being a member of this club?

A big Thank you to John Maness, Susie Hannum, & Heather & Skip Middleton for all the hard work they have done for this club. They have carried the club along during these last few years when many other dog clubs have folded.

Sincerely,
Debbie Goddard

Huh?

In getting this issue of the *Dot to Dot* out, we had to reconstruct the chronology, as our newsletter has undergone a number of format changes over the years. Essentially, we've adjusted the volume number to match our first issue, Vol. 1 No. 1, which was January 1991. Consequently, this would be the 27th year, so that's what we're going with.

And while we're at it, we lost count of the number of Specialty Shows we've sponsored. Adding to the confusion, we skipped 2025 and we had a couple of back-to-back Specialties. We also had a couple of designated specialties, but they count. Adding and subtracting for all of that concluded that our upcoming Specialty will be our 30th.

Now the final challenge will be to corral all our members and make sure our membership list is accurate. We look forward to the end of this year and dues renewals to get a new Membership Roster out.
