PRESIDENT'S MESSAGE

First, I feel honored to be appointed President of the Club for 2006, and am looking forward to a good year. Am sure the ladies on the Board will keep me in line, and on course.

As many of you know, Dalmatians are one of the passions of my life. In my opinion there is no other breed as beautiful, or as unique. I received my first Dalmatian in 1942, and it has been one following another ever since. Each dog has been truly a different character from the one preceding it. It truly has been a rewarding and wonderful experience.

As you all know, our Specialty is coming up, February 24. Our Show Chairman, Randy Thomsen, is unequaled in putting on an efficient and well organized show. Whether you exhibit or not please attend to show support, and enjoy the dogs and dog people. Many of us feel that compared to other Specialties ours is something above the average. We are trying to make it truly a class event and to gain some recognition among the Dalmatian fancy, but this will not happen unless the whole club gets involved.

Hope to see you all at the Show.

C. T. Davis

Editor's Note

I want to welcome Chuck Davis back into the Presidential position. Thanks also to our two new Board Members for accepting their "Call to duty". We owe a debt of gratitude to our two Board Members who retired as of January. Thank you again Nancy Dandrea for leading the club with skill and care this past year....and our own Kathy Martin for keeping our finances straight for SIX years! Thank you both so much for all your work and dedication. Mary Bennett

15 MINUTES AFTER DAL JUDGING
AT SILVER BAY KENNEL CLUB
IN DEL MAR.

This is our first General Business Meeting of the year. Please attend. The meeting will be held at the Thomsen's motorhome parked directly outside the building containing the Dal show ring.
Please remember there is a charge to park in the lots.....so bring your pennies and your good ideas to this first meeting of the new year.

Dear God: Let me give you a list of just some of the things I must remember to be a good dog.

1. I will not eat the cat's food before they eat it or after they throw it up.
2. I will not roll on dead seagulls, fish, crabs,etc. just because I like the way they smell.
3. I will not munch on "leftovers" in the kitty litter box, although they are tasty.
4. The diaper pail is not a cookie jar.
5. The sofa is not a 'face towel" Neither are Mom and Dad's laps.
6. The garbage collector is not stealing our stuff.
7. My head does not belong in the refrigerator.
8. I will not bite the officer's hand when he reaches in for Mom's driver's license and registration.
9. I will not play tug-of-war with Dad's underwear when he's on the toilet.
10. Sticking my nose into someone's crotch is an unacceptable way of saying hello.

(Things I must remember to be a good dog cont.)

11. I don't need to suddenly stand straight up when I'm under the coffee table.
12. I must shake the rainwater out of my fur before entering the house-not after.
13. I will not throw up in the car.
14. I will not come in from outside and immediately drag my butt.
15. I will not sit in the middle of the livingroom and lick my crotch when we have company.
16. The cat is not a 'squeaky toy' so when I play with him and he makes that noise, it's usually not a good thing.
And, finally, My last question...
Dear God: Why do humans only have 10 Commandments and dogs have 16?

Human Medications in Canine Size

The following common human household products can be used on a dog in an emergency situation if you are unable to contact a veterinarian. You may also want to add a few of the items below to your canine first aid kit in case you are away from your home when an emergency occurs. Take note, many of the items have a weight specification and dosage recommendation. This information is not intended as a complete guide on how to use human medications on dogs, nor should it be used instead of seeking veterinarian help.

All information below was gathered from the "Doctors Book of Home Remedies for Dogs and Cats" and from various other sources.

Antihistamines: Benadryl, Sominex, and Waldryl are best. Used for relief of allergies, insect bites, and itching. DO NOT USE FOR SNAKE BITES. 2mg per pound of dog every 8-12 hours.

Antibiotic Ointments: Neosporin, Bacitracin, Panolog, Bactoderm are best. Used to protect wounds, fight infection, kill bacteria, and speed healing. Uses as much as needed. After you apply any ointment, keep an eye on your pup to make sure he or she doesn't lick it off. If needed, loosely wrap the area.

Aloe Vera: Used to treat burns, including sunburns, hot spots, and acne.

Buffered Aspirin: Ascriptin, Bufferin and Ecotrin are best. Do not use Ibuprofen, Acetaminophen, Tylenol, or Naproxen Sodium, they are harmful to dogs. READ THE LABEL. Used as a fever and pain reducer and as an anti-inflammatory. 325mg per 50lbs. of dog every 12 hours. Have the dog take it with food if possible. NOTE: Normal dog temperature is 100.5-102.5 degrees Fahrenheit.

Cough medicines: Products with dextromethorphan as an active ingredient like Robitussin Maximum Strength Cough Syrup are best. BE CAREFUL to use cough medicine with only dextromethorphan as the active ingredient. Not those containing other drugs, like aspirin or acetaminophen, which may be harmful to dogs.

Dramamine: Used to relieve motion sickness. Large dogs can have up to 50mg and small dogs up to 12 1/2 mg. Best if given about an hour before traveling.

Electrolytes: Gatorade, Power Aid and Pedialyte are best. Used to treat dehydration. Allow the dog to drink as much as they want, but not too quickly. Licking ice cubes is also a good way to treat dehydration.

Flour: Can be used as a coagulant incase you slip when trimming the nails or for cuts and scratches. Use enough to stop the bleeding.

Human Medications in Canine Size

cont.

Hydrogen Peroxide 3%: Used to induce vomiting, clean wounds, clean ears, and deskunk a dog. If you are sure your dog has ingested something lethal, induce vomiting by giving 1 tablespoon per 10lbs. of dog once or twice. DO NOT exceed two doses, as it can be harmful to your pup. DO NOT use ipecac syrup for vomiting, it is toxic to pets. To remove skunk spray, mix 1 teaspoon liquid soap and 1/4 cup baking soda in one quart of hydrogen peroxide. Rub into dogs fur then rinse.

Kaopectate and Pepto Bismal: Used to stop and give relief of vomiting, diarrhea and or up set stomach. For Kaopectate use 1 teaspoon per 10lbs. of dog every 4-6 hours. For Pepto use 1 teaspoon per 20lbs. of dog every 4-6 hours.

Massengill douche: Also a good skunk odor remover.

Mineral Oil: Used for constipation and ear mite relief. Give your canine buddy up to 4 tablespoons a day for constipation. To combat ear mites, once a day heat some oil until it's warm to the touch. Then put a couple of drops in the ear canal. Repeat for at least one month. Olive oil mixed with garlic can also be used as an ear mite remedy. Crush a few garlic cloves and let them soak in olive oil overnight. Then, remove the garlic, heat the oil until it's warm to the touch and, as with the mineral oil, place a couple drops in your dog's ear canal. Repeat about every other day or so, for at least one month.

Oat bran and Canned Pumpkin: Also for constipation relief. Add a teaspoon or two of either to your dogs food everyday until bowel movements are regular again.

Saline: Used to sterilize tools, hands, cuts, bandages, etc. Also, saline can be used to wash out dog's eyes and mouth if needed.

Tea/Tannic acid: Used to speed healing and sooth hot spots. A strong black or green tea works best. Once it is brewed and cooled down, apply it to the infected area.

Vitamins: Just like in humans, various vitamins may be beneficial to your canine buddy. Vitamin B can be used as an appetite stimulant. 1/2 to 2ml given every 24 hrs. should do it. Vitamin C and E can be useful to pets with asthma and or heart problems. Seek advise from your veterinarian about how much to give. Vitamin E, also works well on hot spots. Apply vitamin E gel directly to the irritated area a few times a week.

Witch Hazel: Used to treat burns, especially sunburn. Soak a cotton ball or bit of gauze in this cooling liquid and apply it to the damaged area several times a day.

Presidential Message

We just had another successful Specialty. Many thinks to those who played major parts in putting the event on. Particularly to be noted are the Thomsens, the Goddards, Angie Stevanus, and Teresa Bailey. Entries are not what they used to be for a Specialty back in the 60's and 70's, but what we don't get in quantity I believe we at least make up partially in quality.
Our congratulations to those who won trophies (particularly DCSDC members.)
I noted a number of Dalmatians that I would be proud to have as members of my small family though I think old "SL" might object.
The Board is planning some future social type events we will keep you all informed.

Editor's Huge Mistake and a few comments too!

Well it was just a matter of time.....you leave me alone, unsupervised, with a newsletter to get out....and I pulled a huge mistake the last one.....I was mistaken about our Judge for 2007....
It is our clubs pleasure to announce the **Judge for 2007** is the fantastic **Pat Hastings**. Thanks to all who caught my mistake and let me know about it TOO.

++

NEXT BOARD MEETING.....APRIL 5, 2006.....7:00 PM. WE WILL BE MEETING BACK AT MARIE CALLENDAR'S IN LA MESA. VERY EASY TO FIND....RIGHT OFF OF INTERSTATE 8 AT THE 70TH STREET TURN OFF. PLEASE JOIN US FOR INTERESTING DISCUSSIONS, CLUB BUSINESS, AND OF COURSE YOU DON'T HAVE TO COOK THAT NIGHT!!!

Do you have any interesting ideas for a club function???...let a Board member know or come join us at the next Board Meeting. I look forward to any event that will bring us all back together again. We have a great club....and I am proud to be a member.

Please....if you see me making anymore mistakes...do not hesitate to let me know...I am quite the novice still. Thanks for all your support, Mary

GET THAT DOG IN SHAPE

Are you getting your dog in shape by opening the door when the Postman arrives? Perhaps blindfolding him and throwing him in the pool while you tell him it is for his own good? Well neither of these have worked for me and while reading the Spot Lite I was reminded of a program that DCA has available to all its members...I thought it was worth mentioning once more in the Dot....this information is also available on the DCA website.

In order to recognize the endurance capabilities of the Dalmatian, the Dalmatian Club of America has enacted a membership recognition program to encourage and reward club members who spend a significant amount of time logging mileage with a Dalmatian in an approved endurance activity.
Any DCA member in good standing, who registers yearly for the program and keeps an official log ("Distance Log Record") of mileage traversed in any of the listed activities with any Dalmatian, will receive recognition from the Road Trial Committee, according to the number of miles logged.

The DCA member may record mileage traversed when he/she participates with a Dalmatian in any of the following activities:

- Road Trials
- Horseback riding
- Cart/carriage driving
- Bike riding
- Walking/Jogging/Hiking
- Cross-country skiing, snowshoeing
- 4-wheeling

Enrolled members may record mileage from any combination of the above activities. Members may petition to have an alternate activity approved by sending a written request to the Road Trial Committee.

Members may enroll in the program at any time during the year and must enroll annually. Awards will be calculated by the calendar year, January 1 through December 31 of each year. The Distance Log Record will be due to the co-chairman for Distance Log Program by January 31 of the following year.
Members may enroll by filling out the first page of the Distance Log Record and returning the completed first page to the co-chairman for Distance Log Program, along with a yearly recording fee of $10.00. The recording fee is due by November 30 for that calendar year.

Enrolled members who accumulated 100 miles or more with their Dalmatian during the calendar year will receive awards at the following levels of recognition.

Bronze: 100 miles
Silver: 250 miles
Gold: 500 miles
Platinum: 1,000 miles (accumulative year to year)

Enrolled members who accumulate 1000 miles over a period of years will receive an award for the Platinum Level of recognition. Members may reach the Platinum Level more than once, and will be recorded as Platinum I, Platinum II, etc.

Members who obtain one of the recognition levels during the calendar year will receive a certificate of achievement, and an award token. Bronze, silver, gold, and platinum achievers will have their name and the name(s) of their dog(s) printed yearly in the *Spotter*.

PEANUT BUTTER BONES
(ANIMAL PLANET JAN. '06)

1Package dry yeast
1/2 cup lukewarm water
1 cup mashed potatoes
1 cup milk
1/2 cup molasses
1/2 cup chicken stock
1 cup chunky peanut butter
1 cup whole wheat flour
1/2 cup rye flour
1/2 cup rice flour
1 egg
2 cups all-purpose flour

Preheat oven to 325 F.
In a large bowl, dissolve the yeast in lukewarm water. In a large saucepan, mix together the potatoes, milk, molasses, stock and peanut butter. Heat, stirring frequently until boiling. Remove from heat and let cool to room temperature. Add yeast mixture. Gradually blend in the egg, wheat, rye and rice flours. Add enough white flour to form a stiff dough.
Transfer the dough to a floured surface and knead until smooth (about three to five minutes.) Shape the dough into a ball and roll out to 1/2 inch thickness. Using cookie cutters, cut out biscuits. Place on ungreased baking sheets, spacing them about1/4 inch apart. Gather up the scraps, roll out again, and cut additional biscuits.
Bake 45 minutes. Let cool overnight. Makes several dozen that freeze well.

Message from the President

Went back to Kentucky for the DCA National Specialty. Had a treat time, but it is a long drive. Couple of comments:

(1) One of our founding members, Ed Petit judged conformation. Ed has come a long way. I thought he did a great job, and made a show out of the proceedings with his judging. It was a treat from the usual push pull judging that is all to common.

(2) Our members who showed represented us quite well. I particularly want to single out Kathy Martin and her beautiful dog, Abbott. As a team they hung in there and received an Award of Merit from Ed. It was something to behold. Kathy is the new free stacking champion of Southern California, and Abbott was no slouch in going along with the program.

The educational program on "Urinary Stone Disease in Dalmatians" was most informative. Hopefully a tape of it will be available for future educational Meeting.

Chuck Davis.

THE DALMATIAN CLUB OF SAN DIEGO COUNTY, INC.
BOARD MEETING
APRIL 5, 2006

The meeting was called to order by President Chuck Davis at 7:02 pm. The Board meeting was held at Marie Calendars in La Mesa.

BOARD MEMBERS PRESENT: Chuck Davis, Debbie Goddard, Debbi Jones, Sharon Thomsen, Annelle Wilterding and Mary Bennett

GUESTS PRESENT: Boyd Goddard and Randy Thomsen.

TREASURER'S REPORT: Debbi Jones reported that our insurance premium of $600.00 has been paid. Our treasury has reimbursed Nancy Dandrea and Debbie Goddard for their expenditures at our 2006 Specialty. Our treasury is healthy. Debbi Jones put together our Specialty expenses accounting in a report that was passed to each Board member. Debbie Goddard is now signed onto the Club's checking account in case of emergency.

CORRESPONDING SECRETARY'S REPORT: Sharon Thomsen reports that she responded negatively to the request for puppies to be put on display at a trade show. Sharon also reported several communications from the AKC:

* The AKC would like our club to advertise in several of their publications and catalogues. After some discussion it was decided that the advertising would not benefit our club and the expenditure would be too great.

*Sharon reports that we received the closure from AKC for our Specialty 2006.

*We received an invitation from AKC to participate in their September 16th National Dog Day.

Sharon reports that we received a letter of thanks from Michelle Mixon for our club's participation in the Silver Bay Kennel Club Show. She also extended an invitation for our Club to participate in the same event in 2007.

Sun Country Terrier Club sent a notice about a Seminar they are holding in Phoenix and asking for financial support. After discussion the Board decided it was not something our club needs to support.

Sharon Thomsen will send out an invitation to judge our Sweeps to Leta Estas. If she declines, Sharon will then send one to Carol Chase. If C. Chase declines then an invitation will be sent to Joann Nash.

NEW BUSINESS

Specialty 2007: Randy Thomsen reported that 13 Judges names have been submitted to Silver Bay (including our 2007 judge) for consideration.

Dot to Dot: The next newsletter will go out at the beginning of June. A request for Judging suggestions 2008 will be included. Two names already on the slate are Ken Berg and Arlene Benko.

A retraction for a mistake in judging sweeps results will be included.

Chuck Davis has volunteered to be Show Chairman 2007. Thank you Chuck

It was decided we will also use Maggie Simmons again for Show Secretary.

After a discussion of our Constitution and By-Laws a vote was taken and the new member, Ann Fomon, was accepted into our club. A letter of welcome and a Dot to Dot will be sent to her.

The next General Business Meeting will be held at Bahia Sur. After verification of dates, this will be sent out in the next Dot.

There will be no Board Meeting in May because of conflict dates with the DCA National.

The June Board Meeting will be at Marie Callendar's in La Mesa.

Meeting was adjourned at 8:40 PM. Respectively Submitted, Mary L. Bennett

You know you've waited too long to find a mate when:

-you think stripping is something you do to a terrier

-you think nothing about loudly discussing studs and bitches in a fancy restaurant

-the first thing you notice about a guy is what breed of dog he has

-your biggest turn-off is a guy with an obnoxious untrained dog

-you have ever ruled out a guy as a prospective date based on ıe breed of dog he owns

-you never could stick to a diet to impress a guy, but you can o it to get through that TDX track

when you talk about "scoring" you mean how you did at last eekend's obedience trial

your dog has more letters after his name than the last ten guys ou've dated, and actually completed obedience school

you "people watch" at the mall by making mental lists of the nformational faults each bypasser has to contribute to the ne pool

/ou think if you ever did marry and have children that you ouldn't have to buy a playpen because you already have an tra x-pen. And why buy a crib?? Crates are cheaper and ey're enclosed on all sides

ou actually have friends whose dogs HAVE been part of the dding party

*JUST A DOG *

From time to time, people tell me, "lighten up, it's just a dog," or, "that's a lot of money for "just a dog."
They don't understand the distance traveled, the time spent, or the costs involved for "just a dog." Some of my proudest moments have come about with "just a dog." Many hours have passed and my only company was "just a dog," but I did not once feel slighted. Some of my saddest moments have been brought about by "just a dog," and in those days of darkness, the gentle touch of "just a dog" gave me comfort and reason to overcome the day

"Just a dog" brings into my life the very essence of friendship, trust, and pure unbridled joy. "Just a dog" brings out the compassion and patience that make me a better person.

Because of "just a dog" I will rise early, take long walks and look longingly to the future. So for me and folks like me, it's not "just a dog" but an embodiment of all the hopes and dreams of the future, the fond memories of the past, and the pure joy of the moment. "Just a dog" brings out what's good in me and diverts my thoughts away from myself and the worries of the day.

I hope that someday they can understand that it's not "just a dog" but the thing that gives me humanity and keeps me from being "just a person" So the next time you hear the phrase "just a dog." just smile, because they "just don't understand."

A DOG'S DAILY ROUTINE

Notes to Self

The day is divided into two important sessions: the all-important mealtime and everything else.

I. Mealtime

- Just because there does not seem to be anything visible around to eat certainly does not mean there is nothing around to eat. The act of staring at the underside of a table or chair on which someone else is eating sets in motion a chain of events that eventually results in food.
- It goes without saying that you should carefully check the lower third of any space for edibles. Mouth-sized things which cannot be identified by sight or smell are considered gum.
- When you actually receive a meal, submerge your head into it as you would a shower. Never, never look up again until a minimum of fifteen minutes after the obvious food is gone. This is important. Just because your dish is empty does not mean that it is time to stop eating.
- Remember that all food is potentially yours up until the time that it is actually swallowed by another. The lengthy path a piece of food will take from a plate to a mouth via a hand is as good a time as any to stake your claim on it.
- When it comes to selecting an appropriate beverage, location and packaging mean nothing. There are absolutely no exceptions to this rule.
- If you see something you really want and all your other attempts at getting it have failed, it is only right to grovel shamelessly. As a second tactic, stare intently at the object of your desire, allowing long, gelatinous drools leak like icicles from your lower lip.

II. Everything Else

- There are really only two important facial expressions to bother with: complete and overwhelming joy and nothing at all.
- Any time that is not mealtime is potentially nap time. The best time to take a nap is when you hear your name being called repeatedly. The best locations for a nap is dead center of any street or driveway. The most relaxing position is on your side, all four limbs parallel.
- The most practical way to get dry is to shake violently near a fully-clothed person. A second effective method is to stand on a light-colored piece of furniture.

III. Miscellaneous (OK, OK – so there's a third category!!)

Personal Safety

- At the first hint of any irregular noise, run from room to room barking loudly. If someone actually comes into the house, rush over to them whether you know them or not. Then kiss them so violently that they lose their balance or have to force you away physically.
- The greatest unacknowledged threat to life as we know it is squirrels. No matter what you must do, make sure there are none in your yard.

Recreation & Leisure

- Ball: There are two equally amusing sets of rules you will want to know:
  The Common Form, in which you receive a thrown ball and return it.
  The Preferred Form, in which you receive a thrown ball and eat it.
- Car: As you know, any open car door is an invitation to get in. Once inside, your only goal is to try and get out.

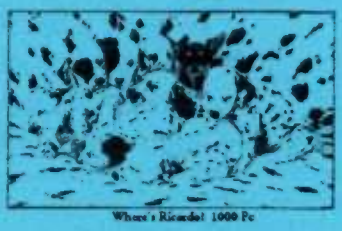

Health:

- In the event of a trip to the doctor, always be on your guard. If you are vaccinated, pee on the vet.

THE DALMATIAN CLUB OF SAN DIEGO COUNTY, INC.
BOARD MEETING
JULY 5, 2006

The meeting was called to order by President Chuck Davis at 7:07 PM. The meeting was held at Marie Calendar's in La Mesa.
The Minutes from the last Board meeting were read and approved with a change.
Members Present: Chuck Davis, Debbie Goddard, Sharon Thomsen, Annelle Wilterding, Debbi Jones, Mary Bennett.
Guests Present: Boyd Goddard and Randy Thomsen.
TREASURER'S REPORT: There was no activity in our account since last month. Bills were submitted from Mary Bennett for "June Dot to Dot" and from Sharon Thomsen for our "AKC entry fees."
CORRESPONDING SECRETARY'S REPORT: Sharon Thomsen received from AKC our Sweepstake Judge approval. Our 2007 Specialty Show has been approved.
Chuck Davis had also received the Judges Panel approval.
Sharon reports that Pat Hastings has signed and returned her contract.
SPECIALTY 2007 CHAIRPERSON'S REPORT: Friday, Feb. 23 2007 is our Specialty date. Chuck Davis reports that the Judges are approved by AKC and our Medallions are now the concern. Chuck asked Sharon Thomsen to send out a request for our Specialty Medallions now so that they may arrive before the Specialty date next year.
A discussion was held about placing ads for our next show.
It was decided that the Spotter was too expensive to place a Specialty ad. Randy Thomsen reported that Nancy Dandrea tried to place an ad twice with Southern Cal. and twice we were left out of their booklet.
Randy Thomsen reported that food will not be a problem this coming year at the Del Mar Fairgrounds as long as we are discreet. There will be no food vendors on Friday. The Goddard's and the Thomsen's will make a private patio with their two Motor Homes.
A discussion followed how best to request a "donation" for the lunch and how to keep out all the outsiders that may try to wander in and have a free lunch.
NEW BUSINESS:
Our General Business Meeting in Aug. was discussed. It was suggested some of the members bring a tent and that we have our Club's banner displayed.
Annelle Wilterding suggested we alternate Board meeting places month to month. A discussion followed. It was pointed out that the trip north takes about 1 ½ hours at that time of day and sometimes longer if an accident has occurred, however, the trip south is 35 to 45 minutes at that time. Discussion will continue.
The Board meeting for August is canceled.
Meeting was adjourned at 8:25 PM.
Respectively submitted,
Mary L. Bennett

BOARD MEETING
SEPTEMBER 6, 2006

BOARD MEMBERS PRESENT: Chuck Davis, Debbie Goddard, Sharon Thomsen, Debbi Jones and Mary Bennett
BOARD MEMBER ABSENT: Annelle Wilterding.
GUESTS PRESENT: Randy Thomsen and Boyd Goddard.
The Board Meeting was held at Marie Calendar's in La Mesa. The meeting was scheduled to begin at 7:00 pm.
The Minutes from the General Business Meeting of August 5th were read and approved with changes.
The Board had a discussion on how best to collect "donations" for the 2007 Specialty luncheon. No final decision was made at this time.
TREASURER'S REPORT: Debbi Jones reported that our treasury is healthy. One check from our newest member was to be deposited.
CORRESPONDING SECRETARY: Sharon Thomsen reports that she sent in the Regional Report to the Spotter and sent off letters of interest for Judges.
Sharon had a letter of request asking our club to support an individual's dog in an upcoming event. After discussion it was decided that as individuals we could support the dog but not as a club.
We had a membership application from Pat Walter. Pat was voted into our club and Sharon will send a letter of welcome.
Debbie Goddard will be the Chairperson for the Nomination committee this year and she will draft two other members to join her.
We had a discussion on the next social event. Diane Bartholomew was having a party for So. Cal. and Debbie Goddard will give her a call and see if she would consider holding a joint social event with members from both clubs. If this works out, Debbie will call Mary Bennett and let her know the date and time of the Social so that it can go out in a Dot to Dot.
We might have to replace our Specialty Superintendent this year because of an accident and so the Judges' slate for 2008 will be tabled for the moment until our 2007 event is set once again.
Debbi Jones requested we meet at the Marie Calendar's in Escondido in October. Debbi will call to see if they have a private room free. If this is possible, Debbi will make a reservation there and cancel the Library room reservation in the La Mesa restaurant.
Meeting was adjourned at 8:52 pm.
Respectively submitted,
Mary L Bennett

THE BIRD DOG

Two blonds suddenly got into bird hunting and were eager to try it out for themselves. They had read that a bird dog is a great and useful accessory in bird hunting, so they decided to go to the pet shop and buy one. They asked for and got a well-trained bird dog.
The two blondes immediately went to the woods to try it out. The dog didn't work. No matter how hard they tried, it just didn't follow their commands. They became really frustrated and one of the blond said to her companion , "Okay, we'll give him another try. We'll throw him in the air one more time and if he doesn't fly, we're taking him back to the store."

Presidential Message

Be sure to look over our Christmas Party details contained in this newsletter. Hope to see you all there. Remember our traditional cutthroat Dalmatian Gift Exchange. Be sure to call Elaine for potluck food assignment.

Established a judging slate for 2008 at our last Board Meeting. Think it is a good slate; should be fun.

A sad note: My friend and companion, "SL" for 14 plus years has entered the great kennel in the sky. He was a wonderful dog. He loved his home and family, and had a great life, and in turn was a loved pivotal member of our small family. Elaine and I will be lost without his continual presence underfoot. This kind of thing has happened to all of us; it is the worst part of having an animal. You just have to go forward remembering all the good times.

Chuck Davis

Editor's Message

The end of another year is fast approaching; lots of good things and some not very good things have happened this past year and I am looking forward to an "all good" 2007.

As most of you know through our Dal grapevine, Teresa Bailey's home suffered fire damage recently. Fortunately her family is safe. The raffle items that Teresa generously collects for us every year were lost. This is one of our best money-making events for our club during the Specialty. If you have any items to donate and replenish this event, please bring them with you to our Holiday party December 30th. Thank you in advance. **Our hearts are with you Teresa and family.**

Another not so good, but VERY NECESSARY for our club.....DUES ARE DUE. Yeap! it is that time again. Time for all Members to send in their dues for 2007. Our Treasurer, Debbi Jones, is waiting to hear from you!

So....to recap: Please bring any raffle donations to our **Christmas Party** December 30th.....4:30 pm.....

2007 Dues are now due...either bring it with you to the Party or use the form in this newsletter to send the dues directly to Debbi Jones.

I want to wish you all a wonderful Christmas.

STAY SAFE...LOVE YOUR FAMILY (and I mean the 4-legged ones too!) and I hope to see each and every one of you at our Cut-Throat Christmas party. Mary Bennett

BOARD MEETING
NOVEMBER 1, 2006

The Board Meeting was called to order by President Chuck Davis at 7:19 PM. The meeting took place at Marie Callendar's in Escondido.
Board Members Present: Chuck Davis, Debbie Goddard, Debbi Jones, Sharon Thomsen, Annelle Wilterding and Mary Bennett.
Guests Present: Boyd Goddard, Randy Thomsen and Dave Wilterding.

TREASURER'S REPORT: Debbi Jones reported we have a healthy Treasury. The only expenditure was the Dot to Dot.
CORRESPONDING SECRETARY'S REPORT: Sharon Thomsen reports receiving a response from Sandy Turner also interested in judging our Sweeps in 2008.
Sharon received correspondence from AKC not going forward with the Petland initiative.
Sharon received correspondence from AKC asking our club to appoint a contact between the club and AKC. Sharon Thomsen volunteered for that position.
Sharon requested that from now on our club contact one person at a time when asking a potential judge if they would be interested in Judging our 2008 Specialty. She has received several positives answers from all the potential judges and now needs to write letters to all that responded to let them know they were not chosen.
2007 SPECIALTY
Boyd Goddard has applied to AKC to be Show Secretary. He brought a sample premium list and passed it to the Board Members.
Randy Thomsen will ask Kitten Rodwell to be our Show Photographer.
Sharon Thomsen will order our Show Medallions when the time frame is right.
A quick discussion followed about collecting donations for lunch.
Boyd Goddard's Premium list was examined and the board had a quick discussion about the wording in the list.
Annelle Wilterding volunteered to do the Judges Hospitality.
Our show trinkets are down to the last ones and Nancy has not been able to replenish our stock
Randy Thomsen has pens to be passed out with the catalogues.
The Premium List will be sent out a minimum of 6 weeks before entry closing.
DOT TO DOT: Notice of the December 30th party and " Dues are Due" will be placed in the next Dot to Dot. This edition will go out towards the end of November so that the information will not be discarded before our Christmas Party.
The Board Meeting for December is canceled. Our next Board Meeting will be January 3rd 2007.
2008 Judging. Ken Berg was selected as our 2008 Judge. Sandy Turner will Judge Sweeps. We will have to select a Junior Handler Judge because Ken Berg is not qualified to judge that position.

I am not promoting this .....I just thought it was an excellent chance to learn how those puppies are developing. That was Dec 10th in the evening....8 pm. Animals in the Womb.

Two dogs were walking along the road. One dog stopped and said "My name is Fido. What's yours? The other dog thought for a minute and then replied "I think it's Down Boy" (from D Jones)
