

2019 RED DEER WESTERNER ROUND-UP

The ATLA was thrilled to be back at this year's Westerner Days in Red Deer. It was great to join up with Longhorn Breeders, enjoy our friendships, and engage in friendly competition. More than forty top quality animals were shown over several days, and generated a great deal of positive publicity for our breed. The show was judged by Stan Seales who, along with his son, used horses to move the cattle in the ring. It gave them a clear view of the conformation and movement of all the animals. A good time was had by all who attended, and we look forward to doing it all over again in 2020!

2019 Top Cow “Believe It”

Congratulations to Mark and Tina Stewart and Family. This beautiful longhorn mount was the award for top female. Thank you to our sponsor Longhorns and Leather

“Dueffis” may not have won any awards, but he was a fan favourite. These kids heard about him on the midway, and had to stop by the show to meet him.
