What is the main objective? (e.g., Capture the scale of the resort for advertising; Measure the volume of this stockpile.)

Compliance & Feasibility Check

These questions help us assess regulatory requirements under UK CAA rules before we confirm your booking.

4. COMPLIANCE & FEASIBILITY CHECK

4.1 Proximity to Areas

Is the property or area within 150 metres of residential, commercial, or industrial buildings?

Yes No Unsure

4.2 Overflight of People

Is the flight required to operate directly over people who are not involved in the operation?

Yes No

4.3 Site Plans (Attachment)

Do you have a site plan or sketch you can attach to your email with this form?

Yes No

WHY WE ASK THESE QUESTIONS

Under UK Civil Aviation Authority regulations (CAP 722), drone operations near people and buildings require specific risk assessments and operational procedures. Your answers help us determine the correct flight category, ensure full regulatory compliance, and prepare the appropriate safety documentation before arriving on site.

Additional Notes & How to Submit

Use the space below for any further details, special requirements, or access instructions for the site.

5. ADDITIONAL NOTES & SPECIAL REQUIREMENTS
