## CAPE VERDEAN MUSEUM HALL OF FAME

The Hall of Fame was established to recognize Cape Verdean-Americans who have made significant contributions to our community in the United States. We want to honor those who not only devote their time and energy to helping others, but also raise the visibility of Cape Verdean-Americans in our culture through their exemplary achievements.

Those eligible for nomination are:

1. People living or deceased, of Cape Verdean decent
2. American or immigrant born
3. Individuals who live or have lived in the United States at some point
4. Individuals whose life and work have brought respect and visibility to the Cape Verdean community

Nominations are made by the community.

To review nominations, the Cape Verdean Museum will form a selection committee comprised of three community members and three board members. **This committee will pick two inductees from the total pool of nominees for the Hall of Fame, while the museum's board itself will pick one inductee.**

Please note, just because an individual has been submitted, that does not automatically mean they will be awarded a spot in our Hall of Fame. Our committees will carefully review all submitted material and select the three very best candidates, so please be thorough (and concise) in your submission. All nominations must include a short biography. Tell us what makes the person you're nominating so special, how they've given back to the community and what important qualities they embody.

Nominations open July 1st and close July 31st.

You can submit an application by emailing [info@capeverdeanmuseum.org](mailto:info@capeverdeanmuseum.org) or mail your material to:
