Repeal of The Boil Water Advisory

TO

THE RESIDENTS OF THE TOWN OF SWANSEA

June 21, 2022

The Town of Swansea Water Department advises the residents the Town of Swansea/Lexington County that they no longer need to boil their water prior to drinking or cooking.

Following an intense flushing of the distribution system, bacteriological samples were collected and analyzed by the Town of Swansea. The results of this sampling indicate that the system is now safe to use for drinking and cooking purposes.

If you should have any questions concerning this notice, you may call the Town of Swansea at 803-568-2835
