A Non-fiction Book

by Tom Block

A positive refreshing look at our American Values - without any political commentary for A CHANGE!

Milwaukee, WI [July 8, 2018] - Patriotic readers who love our American Values and Historical perspectives that has made America the Exception of the world, won't want to miss ***THE America WE KNOW*** by Tom Block. If you want a refreshing change from our daily dose of bi-polar politics these days, ***THE America WE KNOW*** provides the relief. It points out in ten areas where people believe America is the exception of the world.

THE America WE KNOW provides ten defining areas where we are reminded of the our exceptionalism:

- ◆ Our liberties & freedoms, copy of the Constitution, key documents and other facts.
- ◆ America's Religious foundation and our Judeo-Christian values our laws are based on.
- ◆ Famous patriotic Speeches, Essays and Quotations that defines who America is.
- ◆ Our Flag's history & pledges, its significance, and proper etiquettes.
- ◆ A summary of our eight (8) U.S. Military Uniformed Services, and a directory of our U.S. Military Weapon Systems, and a summary of all our wars.
- ◆ America's Scenic Beauty tour thru our National Parks.
- ◆ Our incredible Engineering Feats and Achievements.
- ◆ A historical look of our Holidays, how & why they are celebrated, along with all our Patriotic & Holiday songs.
- ◆ American Folklore & other information Tidbits.

This 'Table-top Reference Book that defines who we are has something for everyone to enjoy.

THE America WE KNOW will be available everywhere books are sold on July 17, 2018.

About the Author

Tom Block is a retired Air Force veteran. Besides his over 25 years as a combat aircrew member, Block was an entrepreneur, marketer and writer. His appreciation of America stemmed from experiences and travels to all 50 States, and over 45 Countries and U.S. Territories. An adamant believer in giving back to the community, he serves on several non-profit executive boards, and is the founder of Norton-March Alumni Association.

Other published works include course development and handbooks for the U.S. Air Force Explorers Program. Block is the author of **THE America WE KNOW**. Visit him at tomblock.us or Facebook: @authortomblock.
