

# The Pumpkin Gospel

Here is a basic and fun way to share about God's love in four fun steps!

## You will need:

- A pumpkin per child/person.
- Carving tools age appropriate.
- Newspaper or paper bags to protect the area.
- A tealight candle (battery operated)

## The steps:

1. Select a pumpkin
2. Clean and carve a face or fun design on the pumpkin
3. Carve the pumpkin
4. Add and light the candle inside the pumpkin

Through each step make sure you emphasize the suggested scripture. Engage with questions.
