

BGC NEWSLETTER

September 2026 Edition

What's Been Going On?

The Boise Gun Club has been very busy! We hosted the ISTA State shoot in May which was the largest state shoot since most of us can remember. The ID HS Clay Target League shoot in June hosted approximately 200 high school youth and their families. Additionally, we have held numerous skeet shoots and private shoots including some smaller local business groups that come out for team building events. Continental, doubles and trap league continue to have strong attendance throughout the year.

2026-2027 Board of Directors

Lahoma Turner-President

Ed VanEtten-1st VP

Eric Holloway-2nd VP

Andy Turner-Secretary

Kent Graham-Treasurer

Don McFarland-Director

Joe Turner-Director

Abe Wilson-Director

Mike Dickens-Director

Watch your email for the 2026-2027 Meat Shoot Dates

Grant Updates

Our grants for the skeet stairs and skeet fences have been completed and closed out. We have received \$17,000 to start our trap pad replacement project. This is going to be a phased project over many years and we anticipate submitting grants for 1-2 pad replacements per year. We continue to be hopeful that we will receive a grant for an ADA compliant skeet pad soon.

New News

- We purchased a new-to-us Hyster to replace our antiquated one that literally was on its last leg. You're welcome, Abe!
- We have a new gun safe that our BSU team can keep their guns in during the school year.
- We have new Tshirts and Hats! Check them out and wear them loud and proud!

ATTENTION SKEET SHOOTERS

You now have all LaPorte skeet machines in all skeet houses

Progress is being made on the ZZ Bird Project

We are in the final stages for the ZZ Bird project and are closer to being able to advertise this exciting addition to the club.

We will update our website and post on social media once we have an idea of when we can shoot these little buzz birds.

Stay tuned for more info soon!

VOLUNTEERS

We always need volunteers for scoring, projects, and other random things. If you want to be on our volunteer list, contact the club via our email address at BoiseGunClub@gmail.com so we can add you to our email list.

Our lead mining vendor has shot for sale for \$44/bag. There are sign up sheets at the club or call the club if interested. Once we have a commitment for 100 bags we can place an order.

CHANGE IS COMING

Sadly, with rising costs of everything, we need to raise our prices on shoot rounds and some of our retail items. As of August 15, member rounds will be \$7 and non-member rounds will be \$9.

Multiplex Price Increase

As of September 1, the Multiplex will increase to \$25 per event plus \$4 daily fee.

THANK YOU

Psge 2

The Boise Gun Club is unable to sustain current state without the many volunteers that help the Board out with the many projects that are continually going on. Fred Peter, Dale Hurd, Eric Holloway, Bob Holland, Guy Johnson, Mike Dickens, Terry Reininger, Randy Berry, Chester Carter, Rick Bennett, Curtis Larsen are among the many that deserve a mention but there are so many more. Thanks to all of you that give your many gifts to keep the BGC afloat.
