

## Truck Driver Nation (TDN) Program Access & Agreement Policy

At Truck Driver Nation (TDN), we prioritize clear communication and transparency throughout our program. It is essential that all participants complete the necessary agreements before gaining access to program files, certifications, or business resources. This ensures that you are receiving the correct services based on the choice you make in the agreements. Below, we outline the process and policy in detail to help all students understand the requirements and next steps.

### Program Access: What You Need to Know

Before moving forward with the program, participants are required to complete all necessary agreements. These agreements clarify the specific services you are selecting and determine the level of access you will have to our resources. You will have two options when enrolling in the program:

#### Non-Networking Option:

- If you choose **not to network with Truck Driver Nation**, you will only receive training to become a dispatcher. You will **not** gain access to our business databases, networking opportunities, or additional resources.
- In this case, your access will be limited to the educational tools and resources needed to learn dispatching.

#### Networking with Truck Driver Nation:

- If you choose to **network with Truck Driver Nation**, you will receive access to our full business databases, tools, and resources for networking with industry professionals.
- This option opens up additional business opportunities and allows you to engage more deeply within the Truck Driver Nation community. Access to these resources is provided only after you have completed the necessary agreements.

### Agreement Completion: The Key to Accessing Resources

**No access to program files, business databases, or certifications will be granted until the agreements are fully completed.** These agreements are essential in ensuring that we deliver the services you have selected. They also outline your responsibilities and expectations while participating in the program.

- **Agreement Completion Requirement:** All students must carefully review and sign the agreements before proceeding with the program. These agreements detail the services provided by Truck Driver Nation, and whether or not you choose to network with us.
- **Transparency:** We emphasize transparency, and all agreements, along with detailed video explanations, are **publicly available** for review. This guarantees that you fully understand what you are agreeing to before signing.

## Certification Policy

**No certifications will be released until the agreements are completed.** The completion of these agreements is necessary to ensure that we have provided the correct service, and once the terms are finalized, you will be eligible to receive your certification after successful program completion.

## How to Submit Your Signed Agreements

To streamline the process, you can use **CamScanner** or a similar scanning app to return your signed agreements. Here's how:

1. **Download CamScanner:** You can download CamScanner for free from your mobile device's app store (available on both Android and iOS).
2. **Sign the Agreements:** Carefully review and sign all required agreements. If needed, you can print them out, sign them, and then scan the signed documents.
3. **Scan and Submit:** Use CamScanner to scan the signed agreements into a clear, legible digital format (PDF). Once scanned, email the documents to us at **support@truckdrivernation.com** for verification.

By using CamScanner, you ensure that your agreements are sent quickly and clearly, helping to expedite your access to program resources.

## Why This Policy Exists

This policy is designed to:

- **Ensure Proper Service Delivery:** It allows us to confirm that you are receiving the exact service you've chosen whether it's training to become a dispatcher or networking with our community.
- **Maintain Compliance:** The agreements ensure we are operating within the legal framework, protecting both you and Truck Driver Nation.

- **Provide Full Transparency:** We want to ensure you fully understand your options and commitments, which is why all agreements and video explanations are publicly available.

### Next Steps

1. **Review and complete the agreements** provided to you.
2. **Choose** whether you want to **network** with Truck Driver Nation or focus on learning to become a dispatcher.
3. **Sign and submit** your completed agreements via email to **support@truckdrivernation.com**, using **CamScanner** or any similar scanning tool for clarity.
4. Once your agreements are processed, you will gain access to the appropriate program files and resources.
5. After successful completion, your certification will be issued, provided all agreements were completed.

### Signatures

By signing below, I confirm that I have read, understood, and agree to abide by the company policies and the terms outlined above. I also confirm that all information I have provided is accurate and complete.
