Message From the Editor, Joseph “Saladbar” Salazar

Thanksgiving to all; we hope you and your loved ones are giving thanks. I want to Thank All of you for your time and effort in this club’s events and many more.

Thanksgiving is not only about eating turkey and watching the Macy’s parade and football; it is all about expressing thankfulness through generosity. Bring “sharing is caring” to life by giving away something special. Of course, everything depends on your budget and capabilities. Even the smallest gift can do the trick.

This picture shows how a fellow hobbyist turned a used ammo case into a Homemade battery firebox—lined with fireplace brick inserts..

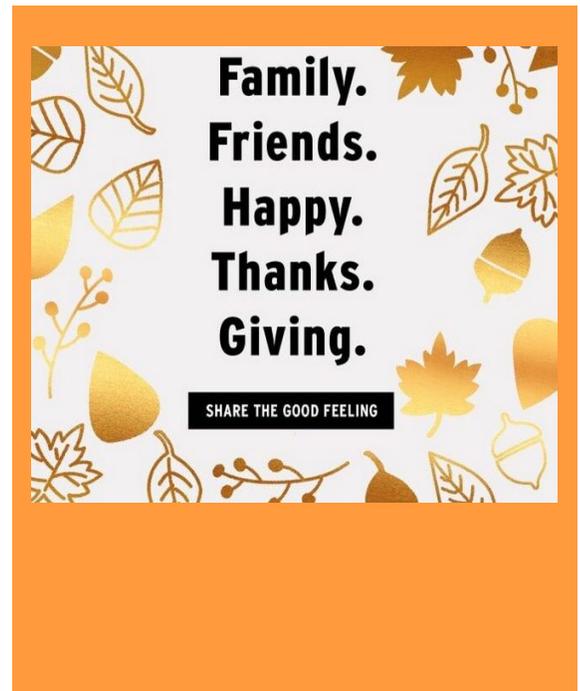

Guess what this is?
It looks like some Dyson turbo vacuum cleaner.
