Welcome back Leisure Laker's!!!

From the park Manager:

- Co-owners are asked to come to the office to update all files, guest lists, deed info, pet records, and contact information to ensure that your records are current and up to date. Then receive your window stickers
- Please watch your speed. There are many children at the lake. Security will be enforcing the speed limits and issuing violations.
- We have a new Activity Coordinator. Her name is Richelle. She has a lot planned for the kids this season. Please introduce yourself and get to know her.
- The General store is open!! We have menus in the office if you want one. We are wishing them a tremendous success!
- Keep in mind: Quiet time is between 11:00 pm – 8:00 am
- The Office is open Tuesday – Saturday 9:00 am – 5:00 pm
- Pump out books and ice can be purchased at the guard shack
- Schedule your pontoon to be put in at the guard shack
- Drop slot for payments, scavenger hunt papers, etc. located in the door of the park manager's office.
- Any improvements to your lot require a lot improvement form to be completed and approved.
- Reminder to get your French drains capped/covered. Permit required and must be approved by maintenance.
- Please report any vandalism you see in the bathrooms or on Leisure Lake Property.
- You are responsible for your guests at all times.

**We are looking forward to a great
season!!!!!! 😊 Cindy Mathers**

President's Report

5/6/26

Hi all, we are back open and ready to start off another great season at the lake despite all the water issues we had. The system is getting old and the cold weather was harsh. Next year if weather permitting, we will try to start the procedure earlier in April to allow time for repairs and inspections to the system, but it gets tricky when we still get freezing temperatures but we will make the good attempt to speed everything up next season.

We have a new Children's Activity Director (Richelle Esho) that will be working on activities for the summer season and will be publishing new upcoming events soon.

The Smith Family has opened the General Store with many new items for everyone's convenience, please support them throughout the season.

Please watch your speed in the park as this has become a great concern for the safety of our residents, 15mph on paved roads and 5mph on gravel roads, security will be enforcing and writing fines.

French Drains will need to be deleted from our properties and everyone must comply to EGLE's demands, I realize there are many different set ups and different ways to accomplish this so please get a permit from the office and Bill and or management can approve your design before you start. Permits are free! Make sure to document before and after photos and return them to the office so we can report them to the state to show that your lot has been completed. I would like to continue using the Discussion Group I created last year to ask questions, share ideas, make comments and work together on removing the French Drains and adding Gray Water Tanks. If you're not already on this Facebook Discussion Group get on and I'll approve you if you are a co-owner or a contractor. **Leisure Lake Gray Water Waste Discussion Group**

Please show some respect and common courtesy when calling or entering the office, Cindy and Lacie are working very hard on running everything that goes in and out of the office and nasty, mean people can make a person feel unappreciated and is completely uncalled for. Also, any threatening language will be a legal matter, police will be called and charges will be pursued. Leisure Lake is supposed to be a place to relax and enjoy time with friends and family not a bickering playground for unhappy people. Let's all do our part and treat our management with kindness and respect and all the other stuff can be worked out. Thank You, Have a great day!
