Subject: Craig's letter of intent

Craig Torbet, Lot 40, letter of intent to run for a position on the Board Of Directors for Leisure Lake Condominium Association

I have been at Leisure Lake for 10 years. I have a great deal of respect and love for this beautiful place we all live in.

I, like most, are not happy with the rates going up. We can't blame the present board. I believe the past boards have enjoyed their titles more than they were concerned for the overall wellbeing of the park as a whole. And because of that, many issues were not taken care of in a timely manner and now must be addressed.

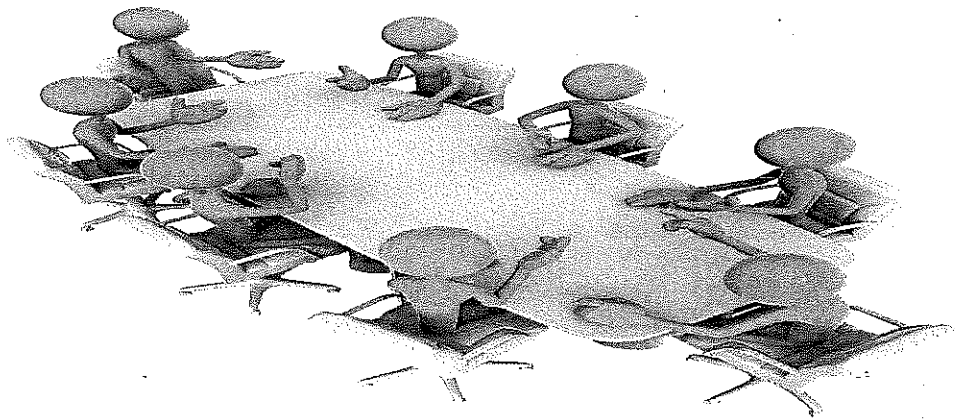

I am not one, as many people know, that cares about politics. I don't stand at Goodall Rd., or go to your house and make promises I won't keep. I always try to help anyone if at all possible, and if I can't, I will try to find someone who can help.

I respect what our board did last year. The park was the most quiet and trouble-free that it has been in years.

I would like to be a part of the continuation of these new policies.

Please consider me when you vote.

MY BID FOR RE-ELECTION TO THE LEISURE LAKE BOARD OF DIRECTORS

My name is Jim Fahey. My wife Debby, and I have been in the park for about 9 or 10 years. We started out the first year renting a lot for the 4th of July weekend. We rented that same lot the next year for the entire summer. We found a lot toward the end of the summer that needed some work, and was something we could afford at the time. We have helped out with several of the activities in the park and enjoyed meeting many new friends throughout the park.

I have worked on the Board the past four years, being reelected to be your Treasurer each year. With the help of my fellow board members, we have had a balanced budget the past three years, including the current fiscal year. As a Board member, and your treasurer, I have always tried to do what I believe was the right thing to benefit you, the Co-Owners, and the park. And as Treasurer, I have tried to keep you updated with expenses through the year.

I am a proud veteran serving 4 years in the US Air Force. I am also retired from the Michigan State Police over 29 years, and worked as a Private Investigator for 18 years. Over the past two years, I worked to fill in at the Office here at Leisure Lake, and also worked Security as a fill in.

If you chose to re-elect me to the board, I will continue to do what I believe is the right thing to do for the park and the co-owners. I thank you for the past four years on the Board.

Jim Fahey
