TORNADO WARNING SIRENS

**Siren Locations: Village of Vernon, Goodall and Brown Rd,
and Prior Rd at Lovejoy Cemetery**

The sirens provide an alert for a tornado warning activation in Shiawassee County to save lives and properties.

When Shiawassee County is notified of a Tornado Warning threwh the National Weather Service or through Shiawassee Central Dispatch the siren shall be activated and alert a solid sound for 3 minutes, if a Tornado has been spotted in the area of Vernon Township or the Village of Vernon, continue to activate the siren for 3 cycles until an all clear has been declared.

If a tornado warning is issued:

- Find shelter and take cover in an interior room of a building, preferably a basement. If a basement does not exist, find an interior hallway away from windows, doors and outside walls.
- Tune to radio or TV broadcasts for news on changing weather conditions or approaching storms.

Siren Testing:

Vernon Twp will do its monthly test only at 12:00 pm. the third Sunday of each month from March to November (Pending weather conditions).

We need 8 more people to sign up for the bus trip to
Shipshewana on July 10th.
If you are interested, please contact Joan at Lot 111 on week-
ends or call her at (810) 659-8226
This is ALWAYS a great time for everyone so lets fill
the bus!

Effective immediately, we are no longer giving grace periods for lawn care. Maintenance has started to cut grass of lots that have grass longer than 6 inches. The fee is \$75.00 and there will be no warnings.

Don't forget to drop off your bottles/cans at Lot 124 in the blue barrel for our Back to School Bingo!!

Don't forget to mark your calendar for the Open Meetings scheduled at the clubhouse
