

ANDREW Dowsett

Speaker Presenter Coach

Specialising in improving soft / essential skills at work, Andrew is on a mission to create great conversations in the workplace. He aims to decode multi-generational team friction by addressing stereotypes, embracing empathy and creating high performing, confident teams.

With over two decades as a senior marketer in the health and wellbeing industry, and an uncanny knack for talking to anyone, Andrew is now a speaker, event host, trainer and presentation coach. He is the founder of Rhabdomancy consulting and coaching.

Signature topics

Decoding Generation BoomZenial

Creating great workplace conversations across the generations. Bridging the communication gap with timeless community wisdom to create high performing teams

The Power Presenter

Unlock your skills and become the most charismatic speaker in the room. Introducing the RHABDO method for powered-up presentations, and public speaking success

"Andrew's positivity and ability to energise a crowd through his enigmatic presenting skills are inspiring. He's a very engaging speaker."

Laura, Head of Digital Marketing: June 2024
